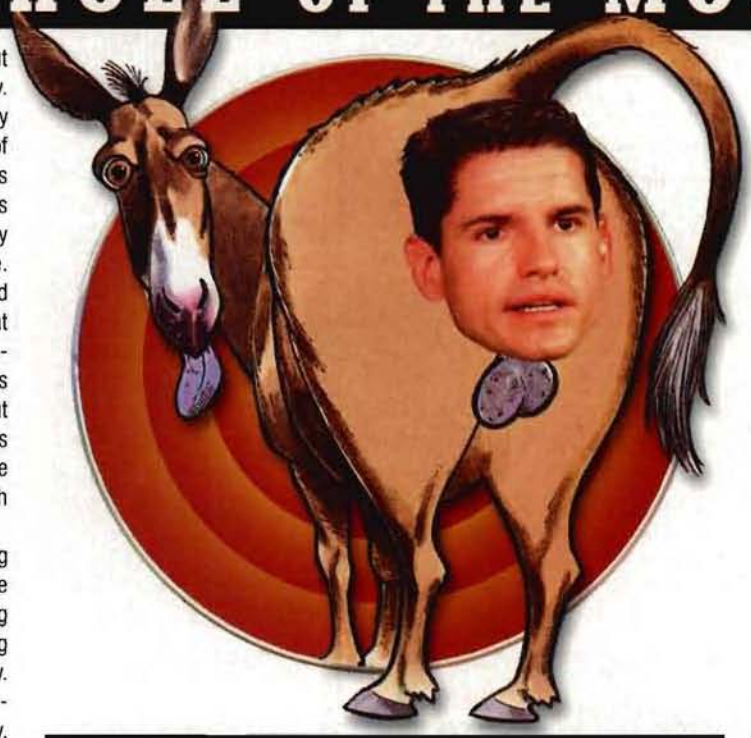
Bits & Pieces

ASSHOLE OF THE MONTH



DAVID BROCK

Hindsight, it's said, is 20/20, but David Brock's is shitty/shitty. Brock is a hack journalist formerly aligned with the ayatollah faction of conservative American politics, plus he's an avowed fag. As a writer, his turd-dipped pen has indelibly marred the national landscape. Now, Brock is making a second career out of selling articles that disown his past. Gay Dave's posterior reflections are presented as exposés of his former cronies, but the slime in this rectal posturing is all Brock's. The twoway turd chute is HUSTLER's Asshole of the Month for December 2001.

Currently an aging queen pushing 40, Brock made his splash at the *American Spectator*, a right-wing hate rag that spent the '90s trying to derail the Clinton Presidency. Weaving fecal tapestries of third-hand hearsay and crackpot theory, Brock crafted a 1992 hit piece on Clarence Thomas accuser Anita Hill. While Brock decried the scrutiny of Thomas's personal life, he tarred Hill as "a bit nutty, and a bit slutty."

A bit swishy, and a bit fishy, Brock delved deeper into brown journalism with "His Cheatin' Heart." The piece exploited Bill Clinton's alleged extramarital dalliances while governor of Arkansas and launched the Paula Jones lawsuit that set up 1998's impeachment debacle. The article's main sources, two state troopers, one of whom later recanted his claims, compromised their credibility by demanding cash for their story. Shunting aside this red flag, along with refutations by more reliable sources, Dave breathlessly lapped up the cops' tales, buttressing their flimsy claims with cum-breathed speculation.

"It's easy to change the subject to make [the persecution of Clinton] look like a right-wing conspiracy," wheezed Brock. "The abuse of power aspect of it is really what justifies talking about what is really private and sexual behavior."

While "the abuse of power aspect" was central to the sexual-harassment charges against Thomas, at the time Brock blamed questions of Thomas's qualifications on "backstage maneuvering" by "all of the liberal interest groups." Dave pocketed $500,000 for his *Spectator* work and received nearly $40,000 from the magazine's Arkansas Project, a four-year witch hunt that amounted precisely to an anti-Clinton conspiracy.

In the July 1997 *Esquire*, shortly after his biography *The Seduction of Hillary Rodham* tanked, Brock penned "Confessions of a Right-Wing Hit Man," the first of many flip-flops in which he's disavowed his Troopergate writing as "bad journalism" and conceded that his anti-Hill rants were "a coverup that would protect Thomas." Brock's attempts to clear the air are about as successful, and savory, as if he tried to suck a cum-gurgling fart back into his gay ass.

Brock bemoans his ostracism from the fringe of the lunatic right in "Confessions," attributing his fall to his insufficiently scathing Hillary bio. Plausible accounts cite Brock's disclosing the identities of off-the-record sources as the cause of uptight right-wingers shunning him as if he were a queer.

"The age of reporting is dead," Brock goes on to lament, using as a soapbox the corpse he helped slay. "In the age of television punditry, all you have to do is pronounce."

Brock can only reconcile such righteous sentiments with the unsubstantiated horseshit of his Troopergate "journalism" because he's had so much practice in denying the stench of his own sins.

"The [Arkansas] troopers were greedy and had slimy motives," writes Brock. His own motives can be summed up in half a million attack dollars and a desire to "pop [Clinton] right between the eyes."

"I had always been able to satisfy my journalistic standards," Brock puffed in 1997's *Esquire*, only to admit years later that, by 1995, "I consciously became...a witting cog in the Republican sleaze machine."

Brock's biggest whopper so far has been his laughably false contention that "[t]here's no career purpose in distancing myself from my former work." Why then do Brock's latest admissions serve to publicize a *new* tell-all tome?

"I lost my soul," Brock weeps. Maybe his soul went down the toilet along with the butt-burped sperm of his last manly lover; maybe it was never there. Brock turns himself inside-out with opportunistic about-faces, but every side of him reveals an Asshole.

FARTS IN THE WIND

Otis "OC" Thomas: A gardener for the family of missing intern Chandra Levy, Thomas is apparently so fond of dirt that he created some of his own. OC told a federal agent in May that Gary Condit also had an affair with *his* daughter when she was 18. Thomas later fessed up, explaining that he was trying to "comfort" Chandra's mother. "I just dug a hole I could not get out of," Otis claimed. The troublesome orifice Otis cannot escape is his own lying Asshole. **John Ashcroft:** Attorney General Ashcroft ordered a federal judge to jail journalist Vanessa Leggett in July for failing to turn over notes that would reveal confidential sources in her investigation of a murder. Further infringing on the rights of a free press, the government requested that Leggett's hearing be closed and its transcripts sealed. Has this Asshole drooled so much over the Second Amendment that he's washed away the one above it?

Putting the "Ass" in "Wrassling"

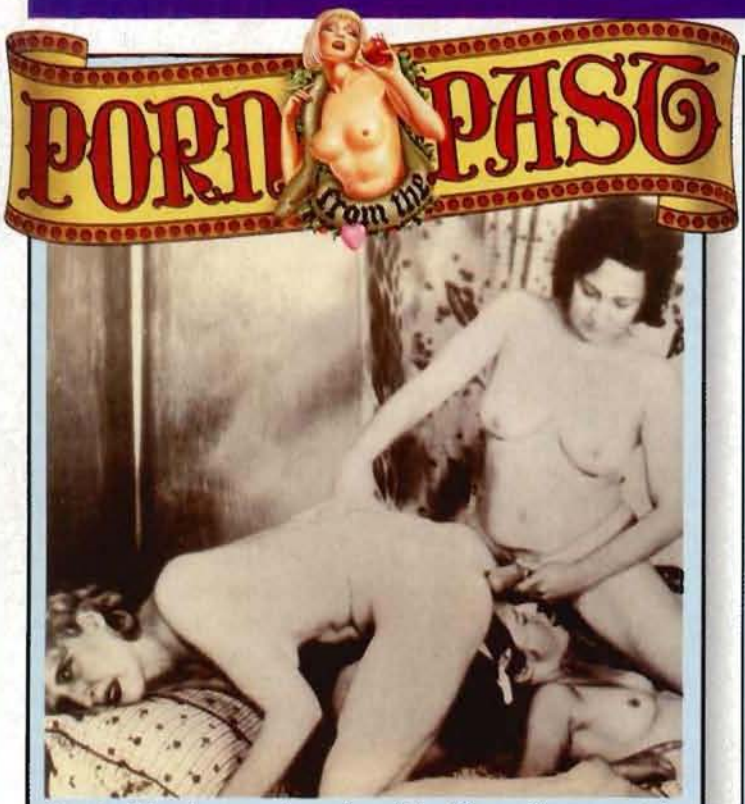
Exquisite Mayhem

Today, glitzy, steroid-and-silicone-injected blowhards pass for big-time wrestlers on the WWF, but in the '60s and '70s, pro wrestling was truly sensational and subversive. *Exquisite Mayhem: The Spectacular and Erotic World of Wrestling* by Theo Ehret (Taschen, 2001) captures the lost spirit of wrestling's past with 488 pages of violent rage and, believe it or not, beauty.

Along with a thorough look at pro wrestling's golden era, *Exquisite Mayhem* takes a fascinating left turn into an obscure branch of grappling known as "apartment wrestling" to chronicle the art of the staged catfight. Action photographer Theo Ehret's lens documents the raw ferocity of bikini-clad (at most) she-devils as they attack their opponents, mangling flesh and yanking fistfuls of hair. Equal parts stroke fodder and sports history, *Exquisite Mayhem* celebrates the sexier side of America's favorite form of organized brutality.

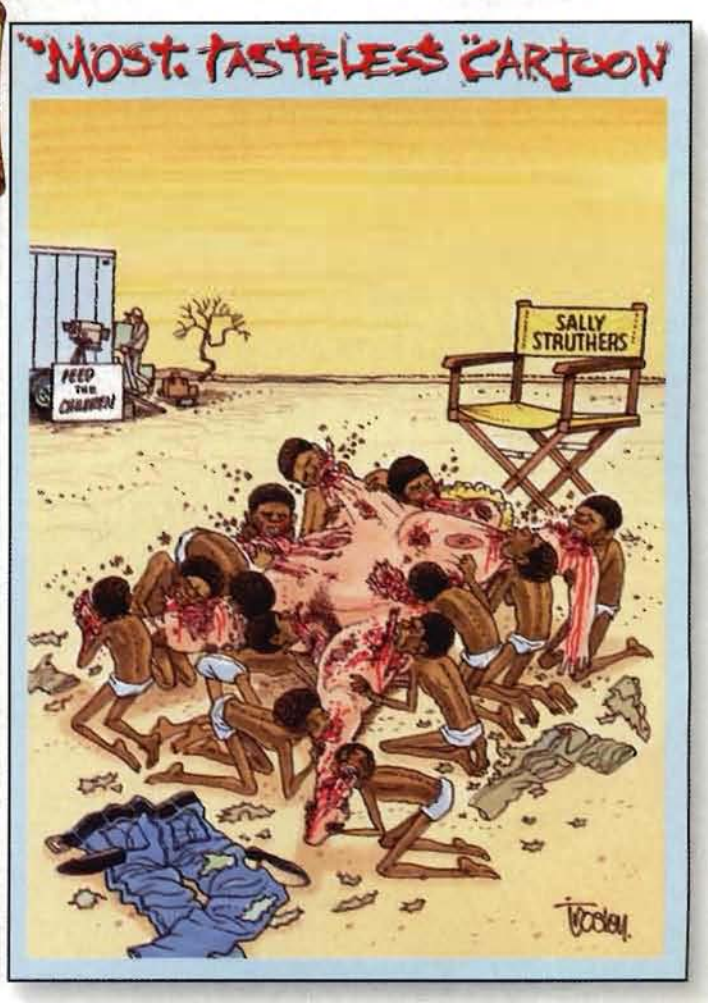
Beautiful bruisers demonstrate catfighting finesse.

The insidious cannonball tit-crush.



Inspired by the comedy antics of the Three Stooges, a trio of goofy gals engaged in their own tomfoolery. Being lovers, not fighters, the Stoogettes eschewed rubber mallets and pokes to the eye for a different kind of slapstick.

B. C. of Pacifica, California, slips $150 into the crevice of his choice for this sapphic comedy still. Send your historic smut to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.



HBO: Home of the Ho's

Although cable powerhouse HBO stakes its reputation on high-caliber drama and violent soap operas, some of the pay channel's best ratings come from exploiting the basic instinct to fuck. *Real Sex*, a documentary series probing the warts-and-all underbellies of proud perverts, and *Sex and the City*, a glamorized depiction of four single women rapidly nearing their erotic expiration dates, are two of HBO's most avidly watched offerings. Why not consolidate the shows and launch this all-new hybrid?

Leanne-Marie, Please

Leanne-Marie (Leanne-Marie: Sun-Worshiping Cunt Lips, September 2001 HUSTLER) is hot stuff! I love her supple tits and golden-brown skin. Now that you've made this sultry Honey a centerfold, the next logical step is to bring her back for a boy/girl layout. I eagerly await the issue. —L. C.
West Mifflin, Pennsylvania

Liz Lover

Elizabeth is, hands-down, the hottest Honey to appear in the pages of HUSTLER (Elizabeth and Carlos: Wildcat Ass Adventure, September 2001). This Nubian dream's body is the essence of perfection. I'd love to taste every inch of her ebony skin, then gently fill her slots with my cock. My only complaint is that you teamed her with a half-limp, long-haired, Fabio wannabe. I'm no fag; so please, don't curse readers with pretty-boy male models. It just ticks us off. —S. E.
Orlando, Florida

We agree that Carlos is a major hair farmer, but don't fall prey to the playa-hatin' mentality. If you knew how much he spends on conditioners and exfoliants, you'd have more pity than ire for the sucker.

Color My World

I loved the black-on-white photo-spread in the September 2001 HUSTLER (Elizabeth and Carlos: Wildcat Ass Adventure). I've just extended my subscription for two more years. HUSTLER just gets better each month. —M. P.

Devin's Bug Bites

I've been a lover of small boobs for as long as I can remember. For this reason, Beaver Hunt has always appealed to me. Devin from Boston, Massachusetts, (September 2001 HUSTLER) is, quite simply, delicious. Her athletic body, perky tits, penetrating eyes and sexy, painted toes make me want to cream my jeans. The fact that she's an avid exhibitionist makes me hotter than a Boston baked bean in August. Thanks, Devin, for staying natural, and thanks to HUSTLER for giving us Devin. —E. D.

Young 'n' Tasty

Judy and Jeena are my favorite pair of HUSTLER dykes this year (Judy and Jeena: Loft Locked, September 2001). When I saw those succulent snatches, the first thing that came to mind was, These girls don't look a day over 20! When I flipped to the last page of the set and learned that Judy is a BARELY LEGAL video star, I knew that my gut was right. Needless to say, I ordered a copy of the tape immediately. First off, thanks for featuring so many young, delicious girls in your magazine. Secondly, thanks for helping readers find more of them. —G. L.

I'm an inmate in HCC Nebraska, a state correctional facility. I just wanted to write a short thank-you letter for the jerk books you publish. Playboy, Foxx and Cheri have nothing on HUSTLER. Livia and Valentino: Going for the Ginch (February 2001 HUSTLER) is a perfect example of what makes HUSTLER so great. Every time I see Livia's perfect tits, gash and legs, or her beautiful, long, brown hair, I quiver and practically sully my skivvies. Please bring back Livia. Thanks to her, you have a new, lifelong customer. —M. Z.

Over the past decade, exhibits of von Hagens's work have attracted praise and controversy. ***Celebrities such as tennis star Steffi Graf have lauded the exhibits. "I'd like to commend HUSTLER for dubbing John Ashcroft June 2001's Asshole of the Month. Keep up the great work."

(continued from page 14) fuck pics continue to send shivers of excitement through our groins as well. Those who haven't seen them (the pics, not our groins) can call (323) 651-2348 and snag the back issue. If you're worried about soiling your shorts, plan ahead and whip it out first.

Two-for-one Beavers

I enjoy your magazine, especially Beaver Hunt. However, it seems to me that Jenna from Charlotte, North Carolina, in the December 2000 HUSTLER is the same chick as Caroline of Charlotte, North Carolina, from the September 2001 issue. Are you running out of Beavers? —N. G.
via Internet

You're right, N. G.; they're the same girl. Out of fairness, we allow contestants to enter the contest every year. You wouldn't exclude Tom Hanks from the Oscars just because he was nominated for an award the year before, would you? Of course not; you'd exclude him because he's a pussy and his movies suck. Despite our constant pleas for *Beaver Hunt* contestants, we're far from running low. Sometimes a great Beaver demands a second look.

Pro Slut vs. Am Beaver

I think it's bullshit that a porn star won your Beaver Hunt Grand Prize last year. I didn't know she was a celebrity until she did a photo-shoot in a competitor's magazine, in which they revealed her to be a porn star named Aria. Beaver Hunt should be the exclusive domain of noncelebrities. If we wanted to see more of your winner, we could have rented her movies, as opposed to waiting for her photo-shoot. —R. L.
via Internet

Aria was a mere big-titted nobody when she sent her first pictures to HUSTLER. During the course of the contest, her star began to rise. We agree that *Beaver Hunt* should be the domain of next-door hotties, but we couldn't very well exclude Aria from the balloting and the votes went her way. The Supreme Court was busy; so there was no way to reverse her election. From now on, Beavers gone pro will be excluded from the final ballot.

The Pink Menace

In response to a Feedback letter in the September 2001 issue ("Party Foolhardy"), I'd like to commend HUSTLER for dubbing John Ashcroft June 2001's Asshole of the Month. Apart from your criticism of his pro-gun stance, I felt that you were dead on. As a libertarian, I am sometimes disappointed by HUSTLER's slams on tax-cut initiatives, pro-gun laws and other "right-leaning" issues—and I'm more of a liberal than a conservative. I don't blame Mr. Flynt for this, but rather Bits & Pieces Editor Dick Pursel, who is likely a pinko Commie. Regardless, keep (continued on page 31)

Thanks for the support, J. S. Some folks just can't tolerate old-fashioned, destructive criticism. By the way, we looked into the political leanings, private life and credit record of our *Bits & Pieces* Editor. While he was cleared of all alleged connections to the Communist Party, he was discovered to be stealing staples from the supply closet. Pursel was punished accordingly and may be back on solid foods by the time you read this.

Leave It to Tina

While looking through the April 2001 issue, I came across a gorgeous lady named Tina from Miami, Florida, in Beaver Hunt. What a sensuous-looking woman! Is there any way we can see more of her in future issues? I would be indebted to your magazine if you granted me another look at this hot piece of ass. I'd probably blow a gasket if she appeared in one of your videos. Just to be clear, this is my vote for Tina as a Beaver Hunt Finalist. —D. P.

Honey Lookalike

My wife and I stumbled across an old issue of HUSTLER and found a layout that really turned us on. It was called Jackie and Tex: Welcome to Pervert Country (Holiday 1998). Jackie looks exactly like my beautiful sister-in-law. Watching Jackie fuck and suck that cowboy made me hard as a rock. It's a good thing that I have a thing on the side with my nympho in-law. Instead of whacking off to the pictures in HUSTLER, I can pick up the phone, call the slut and let her do the work. Thanks for giving me fuel for my fire. —J. T.
Horton, Kansas

We appreciate the thanks, but it doesn't look like you need any help. With a wife who reads HUSTLER and an exotic Honey doppelgänger on call, we're surprised you had time or strength to write a letter.

Stock (Car) Answer

I'm responding to the complaints in the October 2001 Feedback regarding the Dale Earnhardt cartoon ("Car 'Toon Calamity" and "Crashing Popularity"). I thought that the cartoon was funny and very appropriate, but I'm not one of the zillions of Americans consumed with NASCAR fever. When the accident first happened, I thought, How awful for the family. But now, I feel that enough is enough. The man is dead; let him rest. I'm tired of hearing about it. —M. C.

Dear Slut

Jeanna Fine Tells the Fucking Truth

Can't Get no Satisfaction

I'm an 18-year-old, female newlywed. My husband took my virginity, and I've never been with another man (or woman) since. I'm wondering: Why does it take me so long to have an orgasm? Is it because my pussy has become stretched out to the size of my old man's dick? I've only had a few really good orgasms in my life. What can I do to get off better? —S. W.
Wiley, Georgia

Spice things up by experimenting with a variety of times, places and situations for screwing. Rose petals on the bed, dildos in the ass and any number of accoutrements can help make sex exciting. Finding the right position for you is essential; for a good guide to fun and new positions, pick up a copy of the Kama Sutra. Dick size is rarely, if ever, the problem when it comes to getting off. Excitement, intimacy and good, old-fashioned elbow grease are what make for a killer orgasm.

Dry Creaming

I love giving my husband head. Once, about a month ago, he blew his load, and a huge glob of splooge splattered my new outfit. I pretreated the stain and laundered the clothes—the blotch came out with no problem, or so I thought. Last night, at a nightclub, my husband pointed out the jizz stain on my blouse, which, in the black light, was clear as day. It looked like I'd just taken a messy facial. Jeanna, do you have any effective methods for eradicating semen stains from clothes?
—A. V.
Rutland, Vermont

In XXX circles, hairspray is a popular pretreatment for jizz stains. If that doesn't work, head to the nearest dry cleaner and ask for tips. They've seen a million cum-blotched garments, and probably have some good advice. If you're a frequent clubber and want to avoid this embarrassment again, pick up a black light and give your spuzz-stained clothes a once-over before you go out in public. In the end, the most foolproof solution to your problem is simple: swallow.

Spunk Crock?

My boyfriend and I decided to conduct an informal survey of splooge. We took multiple samples of my lover's load, and discovered that he blows three different kinds of wads. Sometimes his cum is really watery and clear, other times it looks thick, clumpy and milky colored, and on occasion it's in-between, like watered-down milk. Why does my man's load vary? Is it true that clear semen is sperm-free? —B. G.
Payette, Idaho

The color and consistency of splooge varies depending on the time that elapses between ejaculations. While it is true that clear spunk has a lower sperm count than white, eyeballing sperm is not an exact science. Unless you're positive that your seed donor's ejaculate is sperm-free, the clearest spoo contains more than enough little swimmers to knock you up.

Funk in the Oven

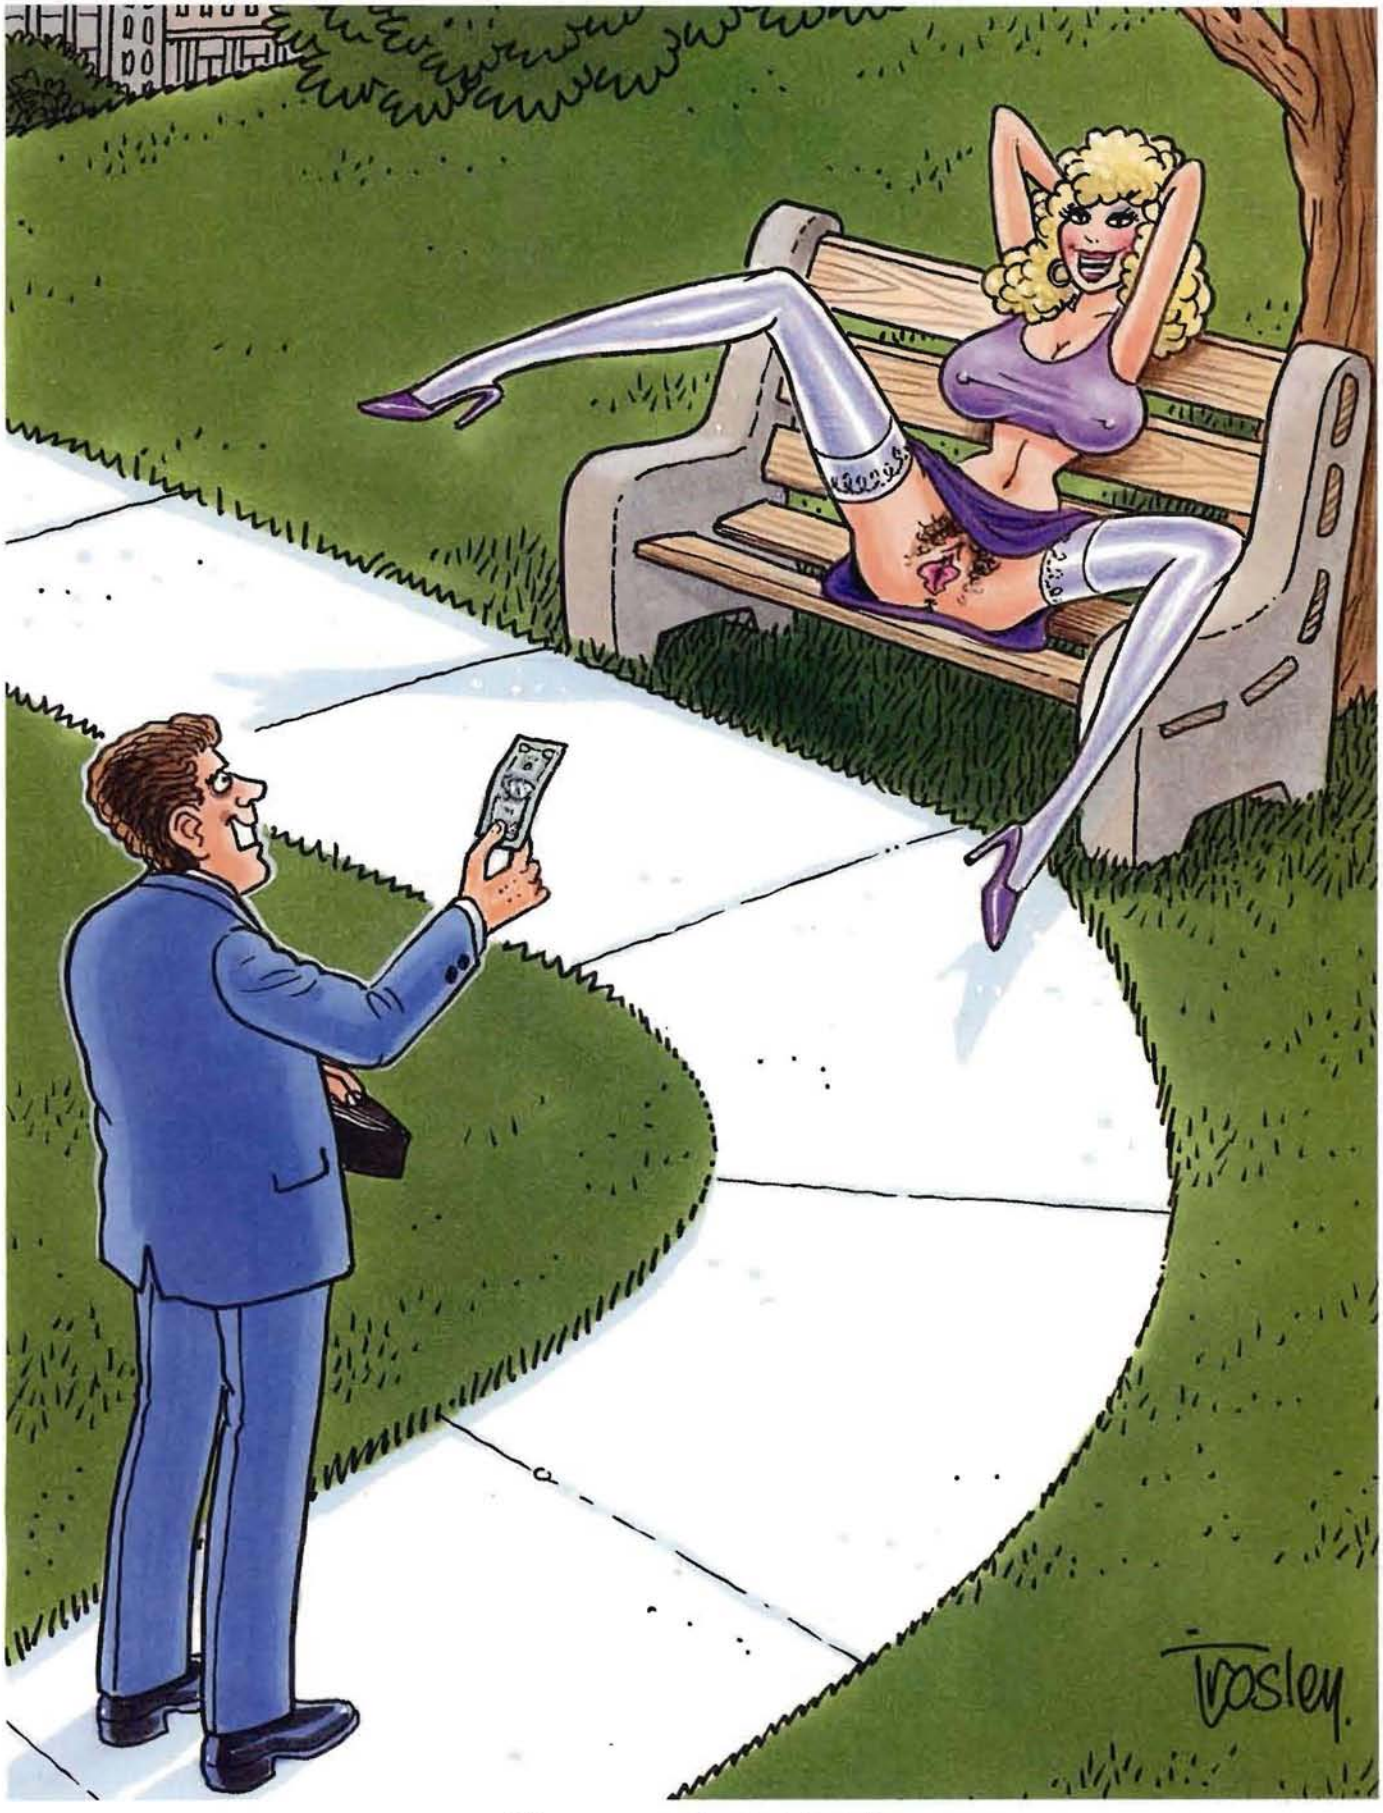
I'm a 19-year-old girl who enjoys a healthy, diverse sex life. I've been lucky when it comes to VD, but every time I hook up with a guy, I get a stinky yeast infection. My girlfriend says it's easier to catch yeast infections when you have unprotected sex. Is this true? Will screwing with condoms keep my snatch from smelling like a bakery? —T. D.
Tacoma, Washington

Duh. Yes, the penis can contract, carry and pass on the stinky malady through unprotected intercourse. If you're screwing random men and not using rubbers, a little candidiasis is the least of the problems you can expect to encounter. Do the smart thing; run out, take a VD test, and use prophylactics from now on.

Writing Spurts

I enjoy reading the articles in HUSTLER. I know that many people make this statement as a joke, since everyone knows that the nude pictures are the primary draw of every porn magazine. I'm dead serious though. In fact, I don't ever pop a boner while looking at the pictures, but the hot stories and letters always turn me on. Why don't I sprout wood by looking at porn? Do I have a chick brain or something? —C. T.
via Internet

Unless you're really into shopping and constantly ask your significant other if your ass looks fat, I wouldn't worry about having a femme psyche. Your preference has all the earmarks of a fetish. It just so happens that what works for you is the written word. Kick back with a bawdy limerick, Henry Miller novel or *Hot Letters* and enjoy your unique kink.



"Okay...you may approach the bench."

Dear Slut

The other night I dreamed that I could suck my own dick. Now I'm obsessed with being able to fellate myself.

Hellbound Horndog

I was raised Baptist and am proud of it. The other day, while witnessing to customers outside Wal-Mart, I met a gorgeous Jewess named Judy. She was more beautiful than any girl I've ever seen at Bible school. We hit it off immediately and went straight to her parents' condo, where we committed the sin of premarital sex. I know that Jesus doesn't approve, but I'm compelled to make love to Judy on a daily basis. I'm very confused. I love the Lord, but I also love my Israelite's sweet womanhood. Do I have to choose between them? —P. D. F.
Landover, Maryland

Spirituality and sexuality can coexist. Do you truly feel that making love to a beautiful young woman is an affront to all that is holy? If so, you may as well give up any sex for the time being, regardless of your partner's religious orientation. You need to put some serious thought into the differences between the strict interpretation of the Scripture and the realities of everyday life. Some folks forfeit pleasure for piety, others ditch their beliefs for the heathen lifestyle, and millions more find a happy ground somewhere in the middle. Grow up and decide where you belong.

Flaccid Lifestyler

An old problem is coming back to haunt me. When I was younger, I used to be nervous with new partners and had a hard time maintaining an erection. It's been years since I was plagued with a limp noodle, since I've had a long, happy and healthy sexual relationship with my wife. Recently, though, she and I have become involved with swinging, and my boner problem has reared its ugly head. Is Viagra my only solution? —J. K.
Albany, New York

If you don't want to utilize the quick fix of Viagra, your next best option is to invest time in getting to know your partners. While beginning swingers often think that the lifestyle is about fucking strangers, those with experience know that the best extramarital sex occurs when you develop a friendly, comfortable relationship with your new partners. Hard-core swingers spend as much time forming bonds with their fuck buddies as they do boning them.

Log Jam

I've had trouble taking a dump ever since my husband and I started enjoying butt sex. I've heard the phrase "fudgepacker" used when referring to fags and their love of sodomy. Does this slur have any validity? Does anal sex cause constipation? —E. M.
Snyder, Texas

Unless your husband has a drain rooter for a prick, he shouldn't be coming nearly close enough to major turds to pack them in. The slang, while colorful, is inaccurate unless the catcher is just about to take a dump. If anything, frequent, vigorous anal sex can loosen the sphincters and cause leakage. Sometime between ass-fucking sessions, add bran muffins to your shopping list. If the mail still doesn't come after increasing your fiber intake, visit a physician.

The Art of the Solo Suck

The other night I dreamed that I could suck my own dick. I tried it the next morning, but I couldn't reach. Now I'm obsessed with being able to fellate myself. I know that Ron Jeremy used to be able to smoke his own pipe in his svelte, pre-Hedgehog days. Jeanna, how can I become a master of autofellatio? —Y. C.
Urbana, Illinois

A flexible spine and a long cock make autofellatio easy. If you have neither, take up yoga and start stretching.

Taboo 2001: *Nicole Sheridan's thighs wide open.*

Taboo 2001: *Ava: [redacted] a [redacted] go [redacted] and arrest me."*

Taboo 2001: *Ava shows Voodoo the benefits of being a real boy.*

Taboo 2001: A Sex Odyssey

Directed by James Avalon.
Starring Nicole Sheridan, Syren, Ava Vincent, Kiki Daire, Aurora Snow, Lola, Brianna Banks, Brandy Nash, Voodoo, Joel Lawrence, Dale D'Bone, Richard Kranium and Joey Ray.
Videocassette: Metro Inc./Cal Vista.

While Steven Spielberg's celluloid travesty *A. I.* has surely inspired some rolling in Stanley Kubrick's grave, *Taboo 2001: A Sex Odyssey*, from director James Avalon, will probably put a smile and a stiffie on the British auteur's corpse. Avalon's sci-fi porn fable covers familiar territory, depicting a future where sex is outlawed and even carnal thoughts are a punishable crime, but the film does so with such style and energy that the ride, as well as the girls being ridden, is irresistible. Ava Vincent bows out of the proceedings early, but not before a sizzling romp with Voodoo. Syren and Nicole Sheridan, the sexual linchpins of this feature, appear in almost every hardcore scene. Syren tortures and fucks Joel Lawrence, while Sheridan surrenders her accommodating ass to Voodoo's massive tool. Both carnal feats generate major wood and coax loads of splooge, making *Taboo 2001: A Sex Odyssey* far-out space smut. ***—Nicholas Veridian***

Stroking in the Deep End

Beneath the Surface of Underwater Hard-core

In Florida, the tuna's always biting.

In the suburbs of South Florida, director Sean Oberon is shooting incredibly wet XXX. Armed with expensive waterproof cameras and scuba gear, the blue-screen Cousteau produces the series *Subaqua Sex*, which graphically documents a variety of submerged screws. *Erotic Entainment* went South to explore Oberon's kinky undersea world.

HUSTLER: So why don't you shoot porn in the bedroom like everyone else?

SEAN OBERON: I've always had a fascination and a love of being under water. I think women look incredible under water, the way buoyancy works on the body and the way their hair floats around them.

HUSTLER: Did you watch a lot of mermaid movies when you were a kid?

OBERON: Yeah, I'm sure that [*Subaqua Sex* is] deeply rooted in various films I might have seen. Like those Esther Williams movies.

HUSTLER: Would you say that underwater screwing is a pretty common occurrence with people who are into scuba diving?

OBERON: I'd say it's a very common fantasy. But the reality is that not many people ever make it happen.

HUSTLER: What kind of difficulties are there in shooting porn under water?

OBERON: There is an awful lot more stop-and-go. If they're doing breath holding, they've got these 30-second shots of fucking, then they're on the surface for a minute or two catching their breath before they're ready to go down and do it again. As far as the guy keeping hard, it's very difficult.

HUSTLER: After the pop-shot, who gets the honor of cleaning the pool?

OBERON: Most pools, if they have the proper filtration or pump system, cycle the water in four to six hours.

HUSTLER: So you just put up a sign that says, "Cum in pool: Swim at your own risk"?

OBERON: Right.

HUSTLER: How does the ocean and saltwater change things?

OBERON: If the girls are prone to contracting yeast infections, I basically recommend that they don't do scenes in the ocean.

HUSTLER: Does the ruckus of two people screwing in the ocean attract sharks?

OBERON: For the most part, it scares everything away.

HUSTLER: What's next, an underwater feature? A XXX Aquaman movie or hard-core *Splash*, perhaps?

OBERON: There are a million and one scenarios. I've got three scripts in development right now.

Ecstasy Girls #4

Directed by Nic Cramer and Jon Yuma.
Starring Misty Rain, Ingrid Swede, Verena, Karma, Nicole, Tavalia Griffin, Alexandra and Katka.
Videocassette: Odyssey Group Video.

Two directors weren't enough to save *Ecstasy Girls #4*. Filmed in far-flung locations from Prague to Stockholm, each of the six vignettes begins with a subtitle such as "Shot in Cannes by Nic Cramer." This pedigree doesn't compensate for the half-assed, sun-bleached outdoor orgy that follows. This vid's primarily European stunt cocks all look gay and greasy, but at least the tramps all take and like it in the ass. The foreign filming pays off with a priceless subtitle that precedes Swedish wench Ingrid's bucolic penetration. When the sperm-burping blonde is chewed out for bogarting a hiker's lemonade, Ingrid's translated comeback is, "Lemonade schlemonade, wouldn't you rather drink from my pussy?" The tramp is then justly double-teamed by the two thirsty oafs. Veteran video harlot Misty Rain concludes the tape by nailing the world's most grizzled mook, but even Misty's all-American talent fails to make *Ecstasy Girls #4* anything to rave about. ***—Clive Thurstwood***

Invisible

Directed by Nicholas Steele.
Starring Adriana Sage, Wanda Curtis, Stevie, T. J. Hart, Nick Manning, Mark Davis, Joel Lawrence, Lee Stone, Mario and Dale D'Bone.
Videocassette: Ultimate Pictures.

An *Invisible* porn star is about as useful as a cuntless one. Fortunately, Adriana Sage, always an eyeful, remains in the viewer's line of sight during most of this highbrow feature. Spreading for two scenes, the exotic starlet gives her fans plenty to see in this stylish XXX narrative about a sex-starved researcher's quest to develop an invisibility serum. In her final screw, Sage mounts a meat pole and rides it, her gorgeous body writhing and arching as she bounces. The better of Adriana's scenes comes earlier in the flick, when the sultry scientist slurps Mark Davis's uncut schwanz. Davis returns the favor by shoving his fingers into Adriana's shitter and tongue-lashing her clit. After plowing Sage's cunt, Mark slides into her ass, slowly screwing the sweet turd hole. Adriana extends her tongue, eagerly catching the stud's load. These and other carnal sights make *Invisible* worth looking for. ***—N. V.***

Icon

Directed by Dino Ninn.
Starring Gwen Summers, Gina Ryder, Isabella Camille, Julie Meadows, Shelby Myne, Pat Myne, Mark Davis, Dillion Day, Evan Stone and Marty Romano.
Videocassette: VCA Pictures.

It's never a good sign when a movie, let alone a spank flick, begins with onscreen dictionary definitions. By the sheer force of its goofy will, *Icon* still manages to stimulate and entertain. Terminally dim swordsman Dillion Day plays a network asshole who wants to rule the world by broadcasting addictive subliminal messages that make viewers lapse into a fuck frenzy, then pass out. Gwen Summers is the chirpy fuck-hound who uncovers Day's scheme, *before* falling victim to the mind-control broadcasts (bright one, that Gwen). With her trademark squeals and pert little breasts, Summers's mammoth appetite for cock is more hypnotic than any surreptitious video suggestion. Julie Meadows and Mark Davis enjoy a sweaty fuck in front of a battery of televisions, and Shelby Myne rocks as an evil bitch who likes cock in every hole. Devout strokers will have no trouble worshiping the women of *Icon*. ***—C. T.***

Double Penetration Virgins

Directed by Jim Powers.
Starring Gina Ryder, Brandy Lyons, Chrystal Sky, Mark Davis, Vince Vouyer, Marc Cummings, Scott Lyons, Dick Nasty and Jay Ashley.
Videocassette: J.M. Productions.

Tag-team champs plug inexperienced tramps in *Double Penetration Virgins*. For their onscreen D.P. debuts, this gonzo tape's three starlets pull out all of the stops, making room for multiple rods in their lube-slicked holes. Dirty blonde Chrystal Sky spit-shines both of her assigned pricks before insertion, purring as the dueling dongs vie for a spot at the back of her throat. When the joints finally jab Sky's sphincters, her shit rings open graciously, leaving a cavernous opening for the man meat to casually explore. Gina Ryder enthusiastically takes on a pair of cocks, flashing the grin of crafty whore as Vince Vouyer and Mark Davis crowd her ass. By no fault of her own, Brandy Lyons's doubling leaves viewers semilimp. The flaccid sword work of her emaciated fuck pal spoils the festivities. Otherwise, *Double Penetration Virgins* is first-rate deflowering. ***—N. V.***

Live Bait #5: *"Does my ass look fat from this angle?"*

Live Bait #5

Directed by Jules Jordan.
Starring Leilanni Lei, Misty, Charlie, Kaylynn, Envy Mi, Justine Romee, Sierra, Jules Jordan, Eric Everhard, Lexington Steele and Jonathan Simms.
Videocassette: Pleasure Productions.

Live Bait #5 is XXX from a straight-A student of porn. It's apparent that director Jules Jordan has carefully analyzed the gonzo genre and toils tirelessly to incorporate all of its key elements into his product. Fresh faces with natural bodies dominate the cast. A whopping seven girls grace the screen during the course of this flick, each eagerly tackling cock with an exuberance that sells every fuck scene. The camera always lingers closely and often gives the viewer the first-person perspective, which always accommodates a better stroke. Anal rears its head on a gratifyingly high number of occasions, and facials cap every scene. Outstanding looker Charlie leads this hardworking cast with her sizzling performance. The busty starlet gobbles prick, succumbs to a colon-gouging and catches a load on her chin, all the while her gorgeous eyes burning with passion. *Live Bait #5* is a real gonzo catch. ***—N. V.***

Pimped by an Angel 2

Directed by Jerome Tanner.
Starring Toni James, Kendra Jade, Gwen Summers, Nina Ferrari, Friday, Valentino, Joel Lawrence, Dillion Day, Evan Stone and Joey Ray.
Videocassette: Legend Video.

Pimped by an Angel 2, a routine collection of rutting starring an above-average batch of slits, is like a bitch-slap compared to the body shots of its predecessor. Valentino reprises his role as the most embarrassingly bad jive-talking pimp ever caught on video. This time around Valentino shows career woman Toni James how to find redemption from her hollow workaholic lifestyle through whoredom. Toni earnestly watches hookers Kendra Jade and Gwen Summers enhance the miserable lives of lonely mooks. Gwen Summers deserves special recognition for working with her arm in a cast (which the filmmakers awkwardly try to hide) and still coaxing fountains of jizz from her lucky john. Kendra Jade looks good with a dick in her, but the scenery's not enough to make *Pimped by an Angel 2* another slice of XXX heaven. ***—C. T.***

Down the Hatch

Directed by Dyanna Lauren.
Starring Dasha, Taylor St. Claire, Amber Michaels, Toni, Sky, Stevie, Charlie, Kaylynn and Ava Vincent.
DVD: Vivid Interactive.

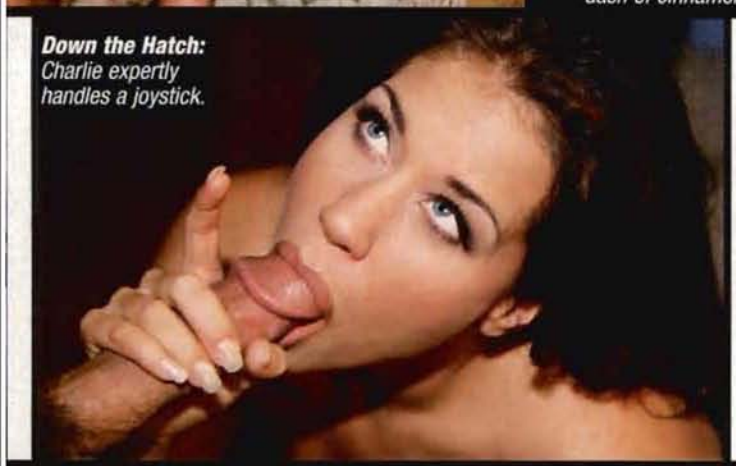
Down the Hatch, not to be confused with Anabolic's cum-swallowing series, is problematic on several levels. First off, the title misleads in that nary a drop of semen is swallowed. In fact, true to Vivid form, facials are scarce, while tit-shots are the status quo. Additionally, poor acting defeats the purpose of offering "naughty" or "nice" pre-sex come-on options. Only Ava Vincent properly purrs her nasty innuendos as a hot, cock-starved slut and coos demurely as a shy naïf. This "interactive" title does, however, succeed (even though its trollops don't suck seed) as a diverse blowjob compilation. Every scene features three unique angles: an over-the-shoulder "first person" view in which the cock smokers make eye contact, a between-the-legs "gonzo" angle and a standard side shot. Three takes on eight blowjobs give *Down the Hatch* plenty of hi-res stroke fodder; just don't expect any virtual fireworks. ***—N. V.***

Wally Wanker's Candy Fuctory

Directed by Slain Wayne.
Starring Veronica Caine, Sienna, Topanga, Milena, Brett Rockman, Brian Surewood, Mr. Pete, Claudio and Duke Flyswatter.
Videocassette: Extreme Associates.

Musicals are a rarity in smut, and *Wally Wanker's Candy Fuctory* reminds us why. Still, Slain Wayne deserves credit for one-upping Lars Von Trier's modern musical *Dancer in the Dark* by adding vicious anal sex to his all-screeching, all-stomping video project. In this obvious parody of *Willy Wonka and the Chocolate Factory*, four lucky ginches find golden tickets in their Cumdeliumsious bars and enter the weird world of Wally Wanker. Milena takes Wanker's droopy schlong in every orifice and guzzles Wally's gluey spuzz, only to keel over as she discovers that the mad candyman's wad is toxic. The freaky Umpa Humpas join a filthy, chocolate-and-whipped-cream orgy, during which the luscious Sienna is covered in syrup and reamed by Brian Surewood. Twisted and raw, *Wally Wanker's Candy Fuctory* will rot your teeth, your mind and, quite possibly, your genitals. ***—C. T.***

Pimped by an Angel 2: *"Bitch, how many times I gotta tell you? It's a black grande half-caf with a dash of cinnamon!"*



Down the Hatch: *Charlie expertly handles a joystick.*

Wally Wanker's Candy Fuctory: *It was all fun and games until the fire ants showed up.*

At HUSTLER Hollywood, seven was the magic number.

Seven Days of Smut

Porn's Hell Week Is Heaven for Fans

The porn industry has rarely seen a week as hectic as July 8 to 15, 2001. Dubbed "Hell Week" by one harried sleaze merchant, the seven days kept porn stars, smut producers and adult journalists on their toes, while happy XXX fans basked in the abundance of celebrity skin.

DAY ONE: The F.O.X.E. (Fans of X-rated Entertainment) Awards played to a packed house at downtown Los Angeles's Mayan Theater. The event, a chance for blue-screen buffs to vote for their favorite adult stars, honored Tera Patrick, Kim Chambers, Jill Kelly, Brigette Kerkove, Mr. Marcus and Randy Spears. Musical entertainment was provided by noisemakers Josie and the Pissants, and live stripteases were performed by a gang of sex stars including Nakita Kash, Anita Cannibal, Adajja, Nina Whett and Alicia Rio.

Striptease talent pleases fans.

DAY TWO: Snagging a ticket for the Free Speech Coalition's Night of the Stars, held at Hollywood's Universal Hilton Hotel, was near impossible for the unconnected jackoff. Those who did manage to scrape up the $200 entry fee were rewarded with intimate access to scores of gorgeous XXX talent. Sure, the coat-and-tie affair's main purpose was to honor porn insiders such as AVN publisher Paul Fishbein and John "Buttman" Stagliano for their efforts to defend the First Amendment, but the scenery, which included Brittany Andrews, Julie Meadows, Shelby Myne, Jessica Drake and Nina Hartley, was nothing to scoff at.

Scenesters Ernest Greene and Nina Hartley.

DAY THREE: Sharon Mitchell's AIM HealthCare, which is dedicated to AIDS awareness, counseling and testing, held a benefit auction at the HUSTLER Hollywood store on Los Angeles's Sunset Strip. To the delight of adult-film devotees, Chloe, Tanya Danielle, Keri Windsor, Calli Cox, Alisha Klass and Tera Patrick hawked clothes and underwear right off their backs and squacks; one lucky mook successfully bid for a date with Tera Patrick. The evening raised over $10,000 for the nonprofit organization, and sent a legion of smut aficionados home broke and smiling.

DAYS FOUR, FIVE & SIX: The three-day Erotica L.A. convention was a "circus," in the words of porn luminary Bill Margold. Held at the Los Angeles Convention Center, the event served as an enormous bazaar where hungry consumers of filth could buy adult product. Of course, the chance to brush elbows and snap a picture with porn actresses was a draw as well. "I stood in line for 45 minutes to meet Tera Patrick," gushed Damon, 21, from nearby Upland, California. "She was super-nice and totally hot and, like, four inches taller than me!"

Inari and Charlie: Fair flesh.

DAY SEVEN: On the last day, the porn folks rested. According to reports, the fans were also spent and completely out of Kleenex.

The Oral Adventures of Craven Moorehead #4: *Tonight's episode: "The Jizz-Dribbler Affair."*

The Gate: *"Wait, you like giving blowjobs? That's crazy! I love receiving them!"*

Black Room: *Not to be confused with Brigette Kerkove's Brown Hallway.*

The Oral Adventures of Craven Moorehead #4

Directed by Craven Moorehead.
Starring Claudia Adkins, Charlene Aspen, Natasha Blake, Kylie Brooks, Jewel De'Nyle, Devon Shire, Envy, T. J. Hart, Jessica, Brigette Kerkove, Charlese L'Amour, Maren, Daphne Moore, Eva Morales, Patricia, Pebbles, Becky Praire, Rayne, Sana Fey, Sonja Redd, Nicole Sheridan, Gwen Summers and Kasorn Swan.
Videocassette: Celestial Productions.

In *The Oral Adventures of Craven Moorehead #4*, the intrepid title prick gathers "23 cum slurping cock hungry hoes [*sic*]" for two hours of throat fucking (and, we suspect, some light farm work). As it turns out, this is a fine collection of hummer scenes if only for the number of sluts involved. If a stroker finds Kylie Brooks's tit job too disturbing, it's easy to fast-forward to another cockmistress, such as the super-slurpy Jewel De'Nyle, whose deafening suck work is only rivaled by chocolate-skinned Pebbles's shaft-swallowing prowess. The box cover promises "two hours of throat fucking," but the windpipe poking is far less extreme than that favored by the likes of Max Hardcore. Still, thanks to the supple lips of fellatrices such as Envy and Claudia Adkins, *The Oral Adventures of Craven Moorehead #4* are well worth following. **—C. T.**

The Gate

Directed by Jonathan Morgan.
Starring Alexa, Kylie Ireland, Brigette Kerkove, Sydnee Steele, Kaytynn, Joel Lawrence, Brad Armstrong, Mike Horner, Lee Stone, Herschel Savage and Voodoo.
Videocassette and DVD: Wicked Pictures.

The Gate proves that there's not much sexy about mental illness that Angelina Jolie didn't already cover in *Girl, Interrupted*. In this big-budget XXX feature, Alexa plays a babe who kills her husband to silence the voices in her head. Joel Lawrence is an asylum resident who once was a respectable doctor but is now trapped in a twitchy impersonation of Brad Pitt's *12 Monkeys* psycho. Lawrence's theory is that Alexa's near-death experience took her too far into the afterlife and that the voices are urging her back to death. Sounds hot, eh? Opportunities for sex come so infrequently in this gloomy story that three sex scenes occur in flashback. As always, Sydnee Steele delivers the best boff of the bunch. The sight of her meat flaps enveloping rod is enough to drive any mook crazy. DVD owners snag a cornucopia of extras, but no amount of bonus material makes *The Gate* worth entering. **—N. V.**

Black Room

Directed by David Stanley.
Starring Cassidey, Shelby Myne, Dayton, Brooklyn Rhodes, Justine Romee, Bobby Vitale, Dale D'Bone, Eric Masterson and Jason McCain.
Videocassette: Vivid Video.

Blending bits of *Silence of the Lambs*, *Tales From the Crypt* and *Frasier*, *Black Room* is a pleasantly twisted entry in the mainstream XXX market. A creepy therapist interviews various porn thespians regarding a mysterious dude (played by Dale D'Bone) who has suffered an undisclosed trauma. When the hired gash (Shelby Myne, Cassidey and Justine Romee) aren't emoting on the therapist's couch, they fuck like whores on crank. Myne unzips D'Bone's cow costume and wolfs down his choad. Later, Romee does the lesbo thing with Cassidey and a colorful collection of toys. Let's hope that Cassidey doesn't make good on her recent pledge to stop doing boy/girl work, because in the next scene she sucks Bobby Vitale's rod like a hero. The sweaty drilling that follows is enough to make anyone want full access to the *Black Room*. **—C. T.**

Stroker's Guide

'Tang in the 'Stang

Carl, this guy I know, is a real dirtbag. He's married and faithful; so he tries to have a sex life secondhand through his friends.

I didn't appreciate Carl's elbowing me into it, but the counter girl at the auto-parts store was hot. In her mid-20s, she looked Greek or Italian, with curly, dark hair, a wide mouth designed to give blowjobs and nipples that pressed against her white Champion Spark Plugs baby tee so firmly that their deep color showed through the fabric. I don't think it's particularly slick to flirt with store clerks, but I do enjoy banging the cute ones; so I chatted her up. Her name was Sophia.

I asked the curvaceous clerk when her workday ended and promised to take her for a drive in my '67 Mustang convertible after her shift.

At six o'clock sharp, we roared out of the parking lot and headed up toward Raab Corners. Sophia made me buy her a mint-cookie shake. She'd sip it, then switch hands and grab my crotch with a grip made icy by the shake. The throb of my wang practically knocked her fingers away. I reciprocated, slipping my right hand into her cut-offs as I steered the 'stang toward an old gravel pit I knew.

"Shift for me," I said.

With a practiced swiftness, Sophia slipped the drink into the cup-holder, knocked the gearshift into third, unzipped my pants and stuffed her big mouth with my tool in one fluid motion.

Sophia wiggled in the bucket seat, bucking against my diddling hand. By the time we were at the deserted pit, she was close to gagging and both of us were about to come. The second the car stopped, I gripped her dark curls with my free hand, keeping her head impaled on my spouting dick. Thick ropes of spuzz slammed into the back of her throat. Though she was practically choking, the clever slut had the presence of mind to work her tongue forward and back against my veiny member, wringing out the last drops and helping her swallow at the same time.

I pounded the hell out of Sophia's meaty snatch until her breath caught and she froze.

Sophia coughed and sat up, still grinding her twat on my fingers. She closed her eyes, enjoying the thumb on her clit as much as the two digits she rode. I looked around. Yep, there was Carl, his video camera on a tripod about 40 feet away.

I grinned and reached up under Sophia's baby tee to pinch a thick mam. Sophia, eyes shut, sneered like Elvis and shuddered. My cock was ready for another go-around; so I pulled off her shorts and withdrew my hand, ignoring her protests.

"Let's go onto the hood," I grunted. The retail gearhead seemed clean, but I didn't want to take a chance on her bare ass skidding over my white leather seats and leaving a hash stain. Sophia took her milk shake with her. She lay back with her bristly landing strip unwittingly pointed at Carl. Her swollen lips drooped to the sides, revealing her wide-open honey hole.

I left my pants up. My thick joint slipped into her with ease. I pounded the hell out of her meaty snatch until her breath caught and she froze. Conscious of Carl's angle, I held her ass and turned us both around, offering a rear view of Sophia's speared slice. Propping her up against me, I freed a hand and gave her rump six sharp whacks.

The Mediterranean-looking bitch came to life again, clamping her legs to me and bouncing against the hands that held her ass.

"More," she mumbled, wrapping her arms around my neck. Her cool titties ground into my shirt. I felt condensation from *(continued on page 100)*

Dykes With Dicks

Sex-Changing Chicks Grow Their Own Wood

by Jackie Cohen

Illustration by Savage Jack

Bill appears to be a real man's man, with a deep voice, full beard and receding hairline. He can achieve an erection and have an orgasm, but his dick is so small, penetration is impossible unless the woman is on top. *And when a gal gives Bill a hummer, she needn't worry about swallowing; no matter how much Viagra Bill ingests, he will never shoot a load, because Bill was born with a pussy.*

Bill, or Betty (as his parents named him), spent more than 30 years sporting a pair of tits; he nonetheless eschewed femininity from a very young age. When Betty was just two years old, she refused to wear a dress.

Once puberty struck, Betty only desired to fuck other girls, and by the age of 20, she realized that she was a man inside. But that truth was frightening; in the 1970s, very few transsexuals, especially of the female-to-male (FTM) variety, came out of the closet. Betty hung out with lesbians, taking advantage of many carpet-munching opportunities, but the aspiring cocksman wanted more out of life—she desperately wanted to fuck pussy, not just eat it.

Although becoming a man didn't jibe with her dykedom indoctrination, Betty finally made the decision for transition. In October 1988, Bill scored a prescription for testosterone. Bill felt the effects of the male hormones right away. "When I first took it, I felt calm and balanced," Bill recalls. "I thought, So this is what normal feels like."

Bill experienced puberty all over again, but this time around, as a boy. Almost immediately, Bill's sex drive went through the roof. Within weeks, he was able to toss out the tampons, and his voice deepened. Over the next six months, the shaft of his clitoris elongated and its head swelled; his clit looked like an uncircumcised microdick popping out of his atrophying snatch. Hairs began to sprout on Bill's face and body, his facial structure became more rigid, his appetite increased, and he even grew taller.

Completing the transformation required going under the knife. He underwent a double mastectomy and chest contouring in 1989. The following year, doctors snipped a few ligaments to make Bill's clit hang like a cock and fashioned the outer labia into testicles with the help of implants. In order to maintain his masculine appearance, Bill must inject testosterone for the rest of his life.

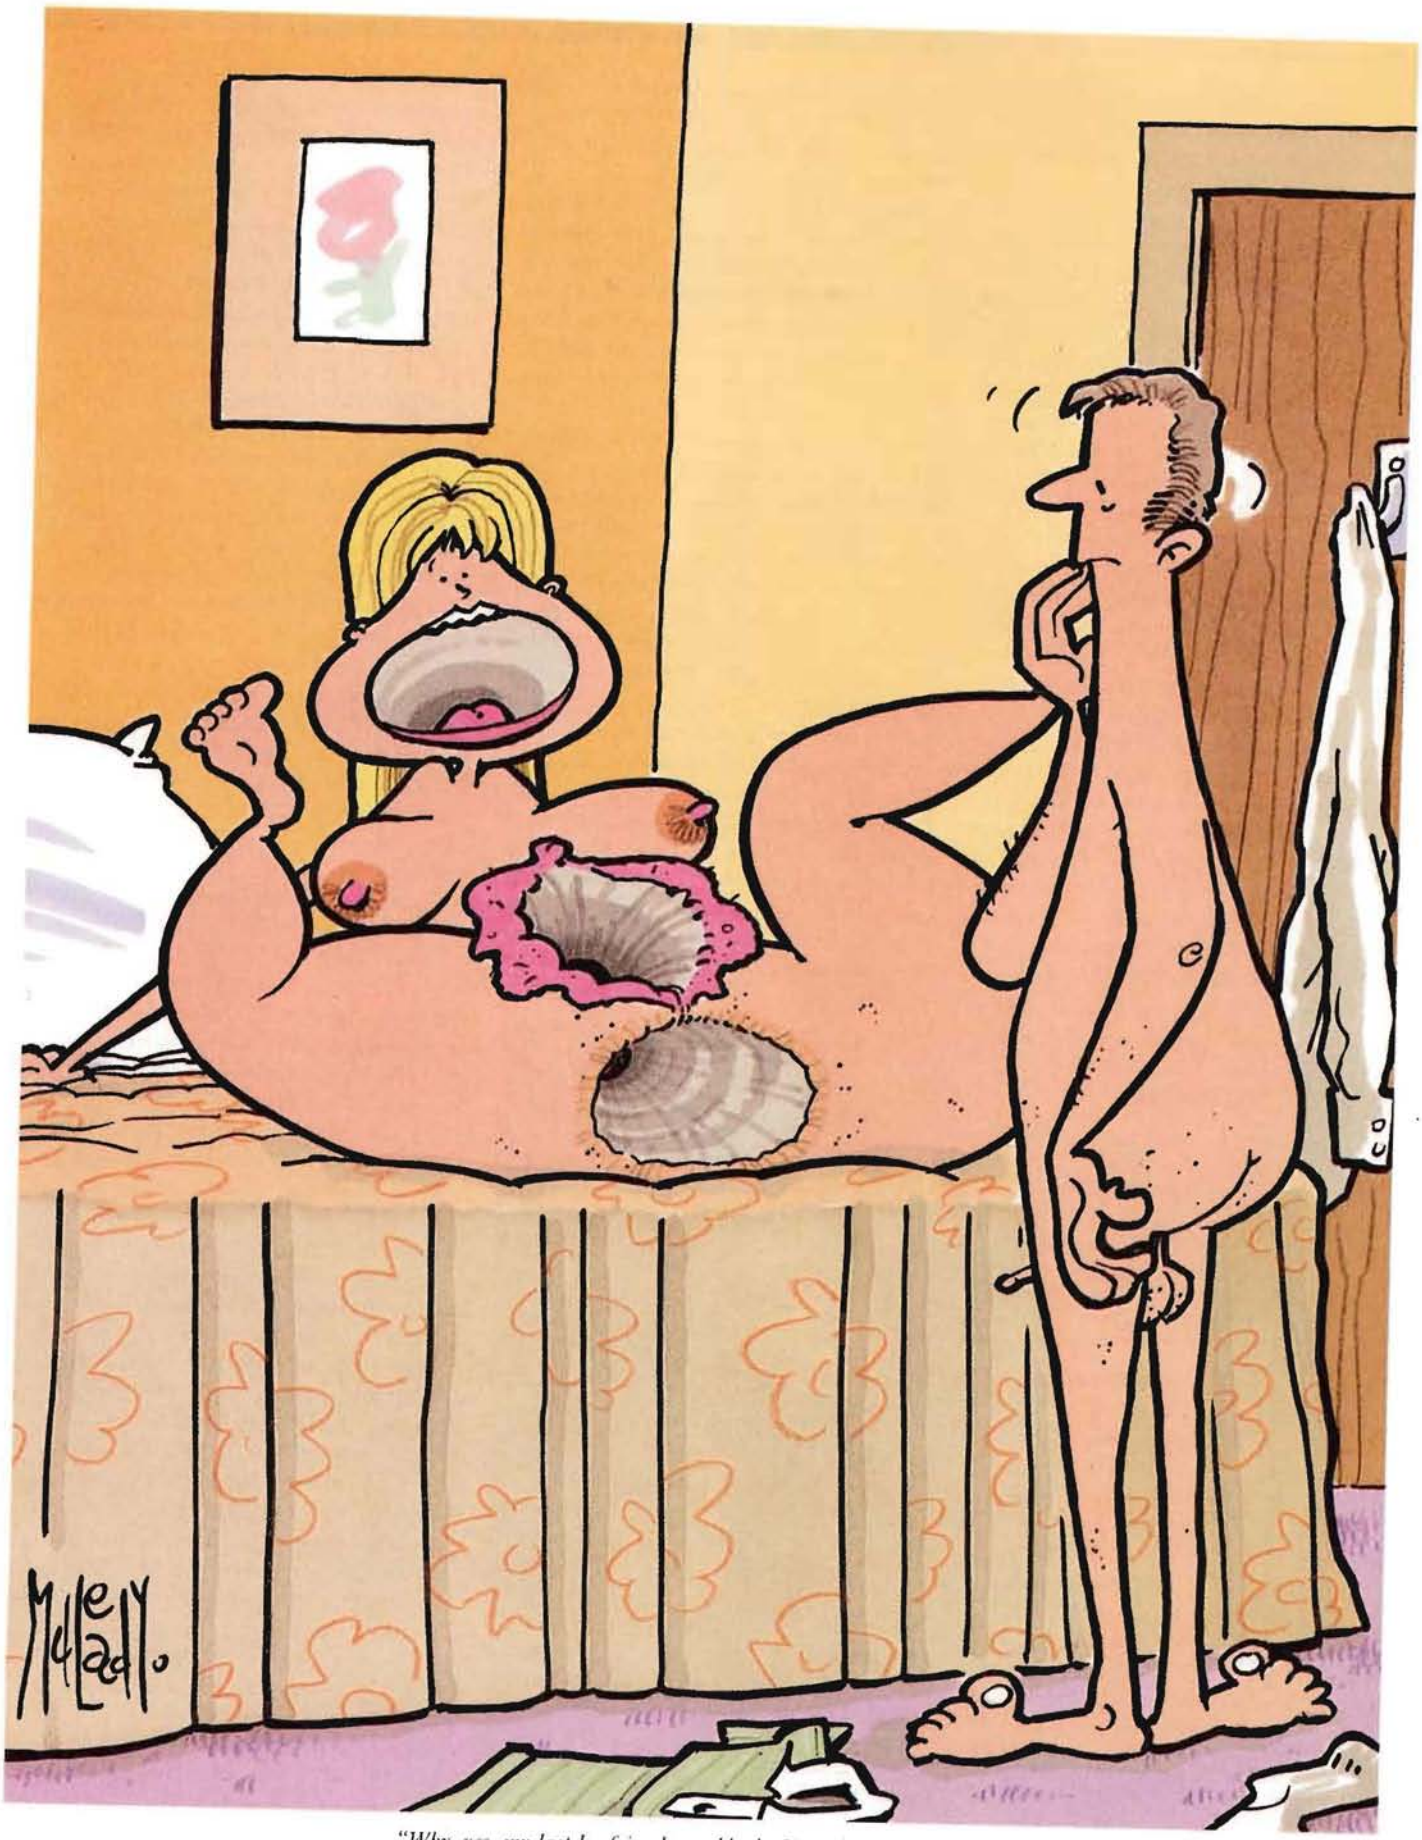
Thanks to modern medicine, penis enviers can become men, or at least manlier. According to the Diagnostic and Statistical Manual of Mental Disorders IV, approximately one in 100,000 women seek sex-reassignment surgery (by contrast, about one in 30,000 biological males pursue womanhood). However, most FTMs don't transform their cunts into cocks. Many opt only to have their breasts removed or merely to take hormones.

While the majority of FTMs claim their desire to be men is genetically programmed, often a childhood incident can trigger the proclivity. "When I was really little, there was some family occasion where I wanted a toy train set and a toy engineer's hat, and I was told I couldn't have it because I was a girl," says Patrick Califia-Rice, a San Francisco-based therapist and writer who spent 30 years living as a lesbian before coming out again as a man. "I got very angry and told everyone I was a boy."

Although the majority of FTMs live as lesbians before transforming into men, FTMs have varied pasts. "There are many people who had been in hetero marriages and then decided to address the [sex-change] issues," says Sandra Cole, a sexologist at the University of Michigan Medical School. After their transformations, some female-to-male transsexuals start pursuing men while others, such as Califia-Rice, date fellow FTMs. Califia-Rice's current FTM boyfriend, Matt Rice—who had discontinued testosterone treatment because it caused migraines—recently, with the help of a sperm donor, gave birth to a son.

"The FTM community is a lot more visible and accessible [today]," says



"Why, yes, my last boyfriend was black. How did you know?"

Sex-change procedures can range from $5,000 for a double mastectomy to $80,000 or more for a deluxe phalloplasty (penile transplant).

Califia-Rice. "There are female-bodied people transitioning now who, ten years ago, would have remained in the lesbian community all their lives."

Today, with more peer support and better surgical techniques, women are "transitioning" younger than ever, which makes coping with many of the social changes easier. "With less baggage, people can change jobs and relocate with less of an impact on their careers," says Jude Patton, a therapist in Seattle, Washington, who is an FTM and a member of the American Association of Sex Educators, Counselors and Therapists.

More and more municipalities and employers are considering policies that benefit transsexuals. Minnesota includes transgendered people in its antidiscrimination laws, and as of July 1, 2001, San Francisco began paying for city employees' sex-change procedures.

Even so, FTMs cannot expect universal approval. "The scariest thing about it is [losing] your friends in the lesbian community when you become a man," says Califia-Rice. "About 90% of my lesbian friends are supportive, and there are others that have grief about the part of me that's gone, and people like my landlord and the folks at the grocery store are puzzled." According to a *Village Voice* article by Califia-Rice, he and his boyfriend were criticized by "straight-identified, homophobic FTMs" who believed that "real men don't get pregnant."

Many FTMs have their Fallopian tubes and ovaries removed, reducing the risk of cancer. Because a *vaginectomy*—or pussy removal—is neither simple nor without complications, most FTMs leave their female genitalia to atrophy. Sewing the vagina shut would result in infection.

To ensure that no one regrets growing a dick, most physicians require a therapist's recommendation before they administer testosterone. To qualify for a mastectomy or genital-transformation surgery, the prospective man must inject male hormones and dress in men's clothing for at least one year. These prerequisites are detailed in the Harry Benjamin International Gender Dysphoria Association's Standards of Care, which apply to male-to-female transsexuals as well.

The association's executive director, Beatrice E. Robinson, notes that these guidelines were eased a bit, after her organization recently concluded that there are more than two absolute gender categories. "More and more of our patients are choosing a place somewhere along the continuum—hormones but not surgery, for instance," says Robinson. "Some want to have mastectomies, but not genital surgeries, preferring to wait until better techniques become available."

Moreover, notes Michael L. Brownstein, a San Francisco-based surgeon who has been performing sex changes since the late 1970s, "Not everyone needs to see a therapist first. If someone has been living in the male role for 20 years, and just now has the money for surgery, I don't see any reason for them to have to go into therapy, just to get the magic recommendation letter."

FTMs can undergo one of two types of genital surgery: the *metoidioplasty*, or freeing up of the clit from its hood, which is also performed on hermaphroditic newborns; and *phalloplasty*—or penile transplant—which was originally developed for unfortunates whose dicks were blown off in wars or industrial accidents. In the latter, a penis-shaped object is formed from a flap in the forearm and grafted onto the genitalia.

Neither of these surgeries results in perfect form or function. The metoidioplasty creates a one-to-three-inch stub that acts like a cock; however, penetration can be tricky. Obese FTMs, especially, have difficulty inserting their clitcocks into vaginas. While the phalloplasty can yield a well-hung (yet often funky-looking) instrument, the new cock might not have any sensation, and the pseudodick wielder still can't pee standing up unless a doctor reroutes "his" urethra.

"Phalloplasty is very complex, involving a team of surgeons performing high-risk procedures, which makes it very expensive," says Dr. Brownstein, who for these reasons only performs metoidioplasties. "It often requires prolonged hospitalization and multiple surgeries. I had one patient who said [his grafted penis] died."

Sex-change procedures, which insurance companies consider elective surgery, can range from $5,000 for a double mastectomy to $80,000 or more for a deluxe phalloplasty. Thankfully, hormone therapies are effective at making other parts of the body masculine. Clothed, most FTMs who complete the two-to-five-year hormonal transition resemble short men.

Jamison Green, the former director of FTM International, a support and advocacy group, is optimistic. "Research money needs to be spent to allow doctors to do some experimental work, especially in cell regeneration. I believe it will be possible for us to grow our own penises some day."

ASS, COOZE & LODGING

AMERICA'S SLEAZIEST SEX MOTELS

REPORT BY **NICO WINETRAPPE**

At the typical pervert-friendly hostelry, ***the only amenities are discretion and pre-stained sheets.*** *A fearless HUSTLER correspondent checks into* ***the sordid world of no-tell motels.***

ILLUSTRATION BY **COREY BARBA**

Ass, Cooze and Lodging

I sit alone in the front office of a sleazy adult motel, working the graveyard shift. Out of some sadistic sense of journalistic integrity, while researching the world of sex motels, I made the dreadful decision to be employed by one. The phone rings. It's room #12. *What do they want?* I think, knowing it's the sunburned swingers I have just checked into that particular love nest. I let the phone ring a few more times, hoping the caller will give up. Finally, I pick up the receiver. A voice complaining of a broken TV summons me to room #12.

Somebody has sliced off a section of the coaxial cable and stuffed it into an empty pizza box. As I'm fixing their television (which, I suspect, they most likely sabotaged to lure me into their room), one of the naked swingers asks me if I wouldn't mind videotaping some of their sexual escapades. Normally I would decline such an offer, but I figure, in the name of research, I must oblige these perverts.

The swingers hand me their camcorder and go to work. They fuck in every position imaginable, more out of duty than lust. After humping away for what seems an eternity, one of the swingers asks me if I want to join in. For once in my life, I decide to draw the line; I make up the excuse that I have to go to the bathroom. "Can I watch?" asks a swinger in such a way that I can tell she is hoping I meant a bowel movement. Without answering, I walk out the door and back to the office.

* * *

Flophouses and love shacks have existed since the invention of the nooner, but the modern no-tell motel first came on the scene in outwardly conservative 1950s America. Today, these once disreputable bastions of sleaze and sin are undergoing extravagant face-lifts. Decades of splooge are being scraped from the walls, and the motif of stink and sex is giving way to romantic "theme rooms"—vast, fantasy-driven fuck-scapes that resemble movie sets.

The swingers hand me their camcorder and go to work. After humping away for an eternity, one of them asks me if I want to join in.

When HUSTLER assigned me to write about American sex motels, the first thing I did was contact my father. Not only is he a historian who wrote his Ph.D. dissertation on the rise and fall of Route 66, but in the spring of 1970, I was conceived amid the soiled sheets in one of the canary-yellow, art-deco bungalows of the infamous Coral Court Motel in St. Louis, Missouri. I was the product of an ill-advised and poorly prepared hourlong "honeymoon."

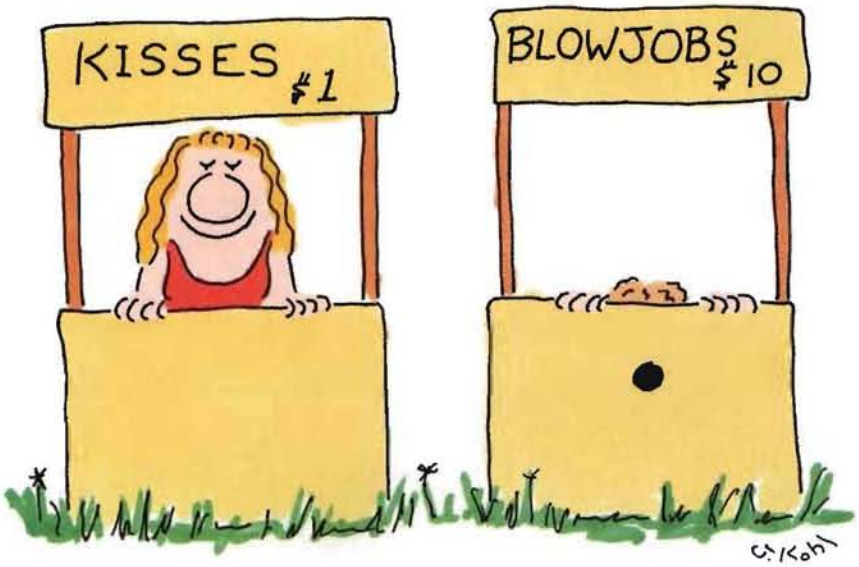
The Coral Court was not only the site of my personal origin, but the archetype for the horny hostelry of today. Originally, the Coral Court was a wholesome motel frequented by military personnel and traveling families, but when the Eisenhower freeway system looped a path around the business district of Route 66, the great "Way West" was reduced to its present patchwork of obscurity almost overnight.

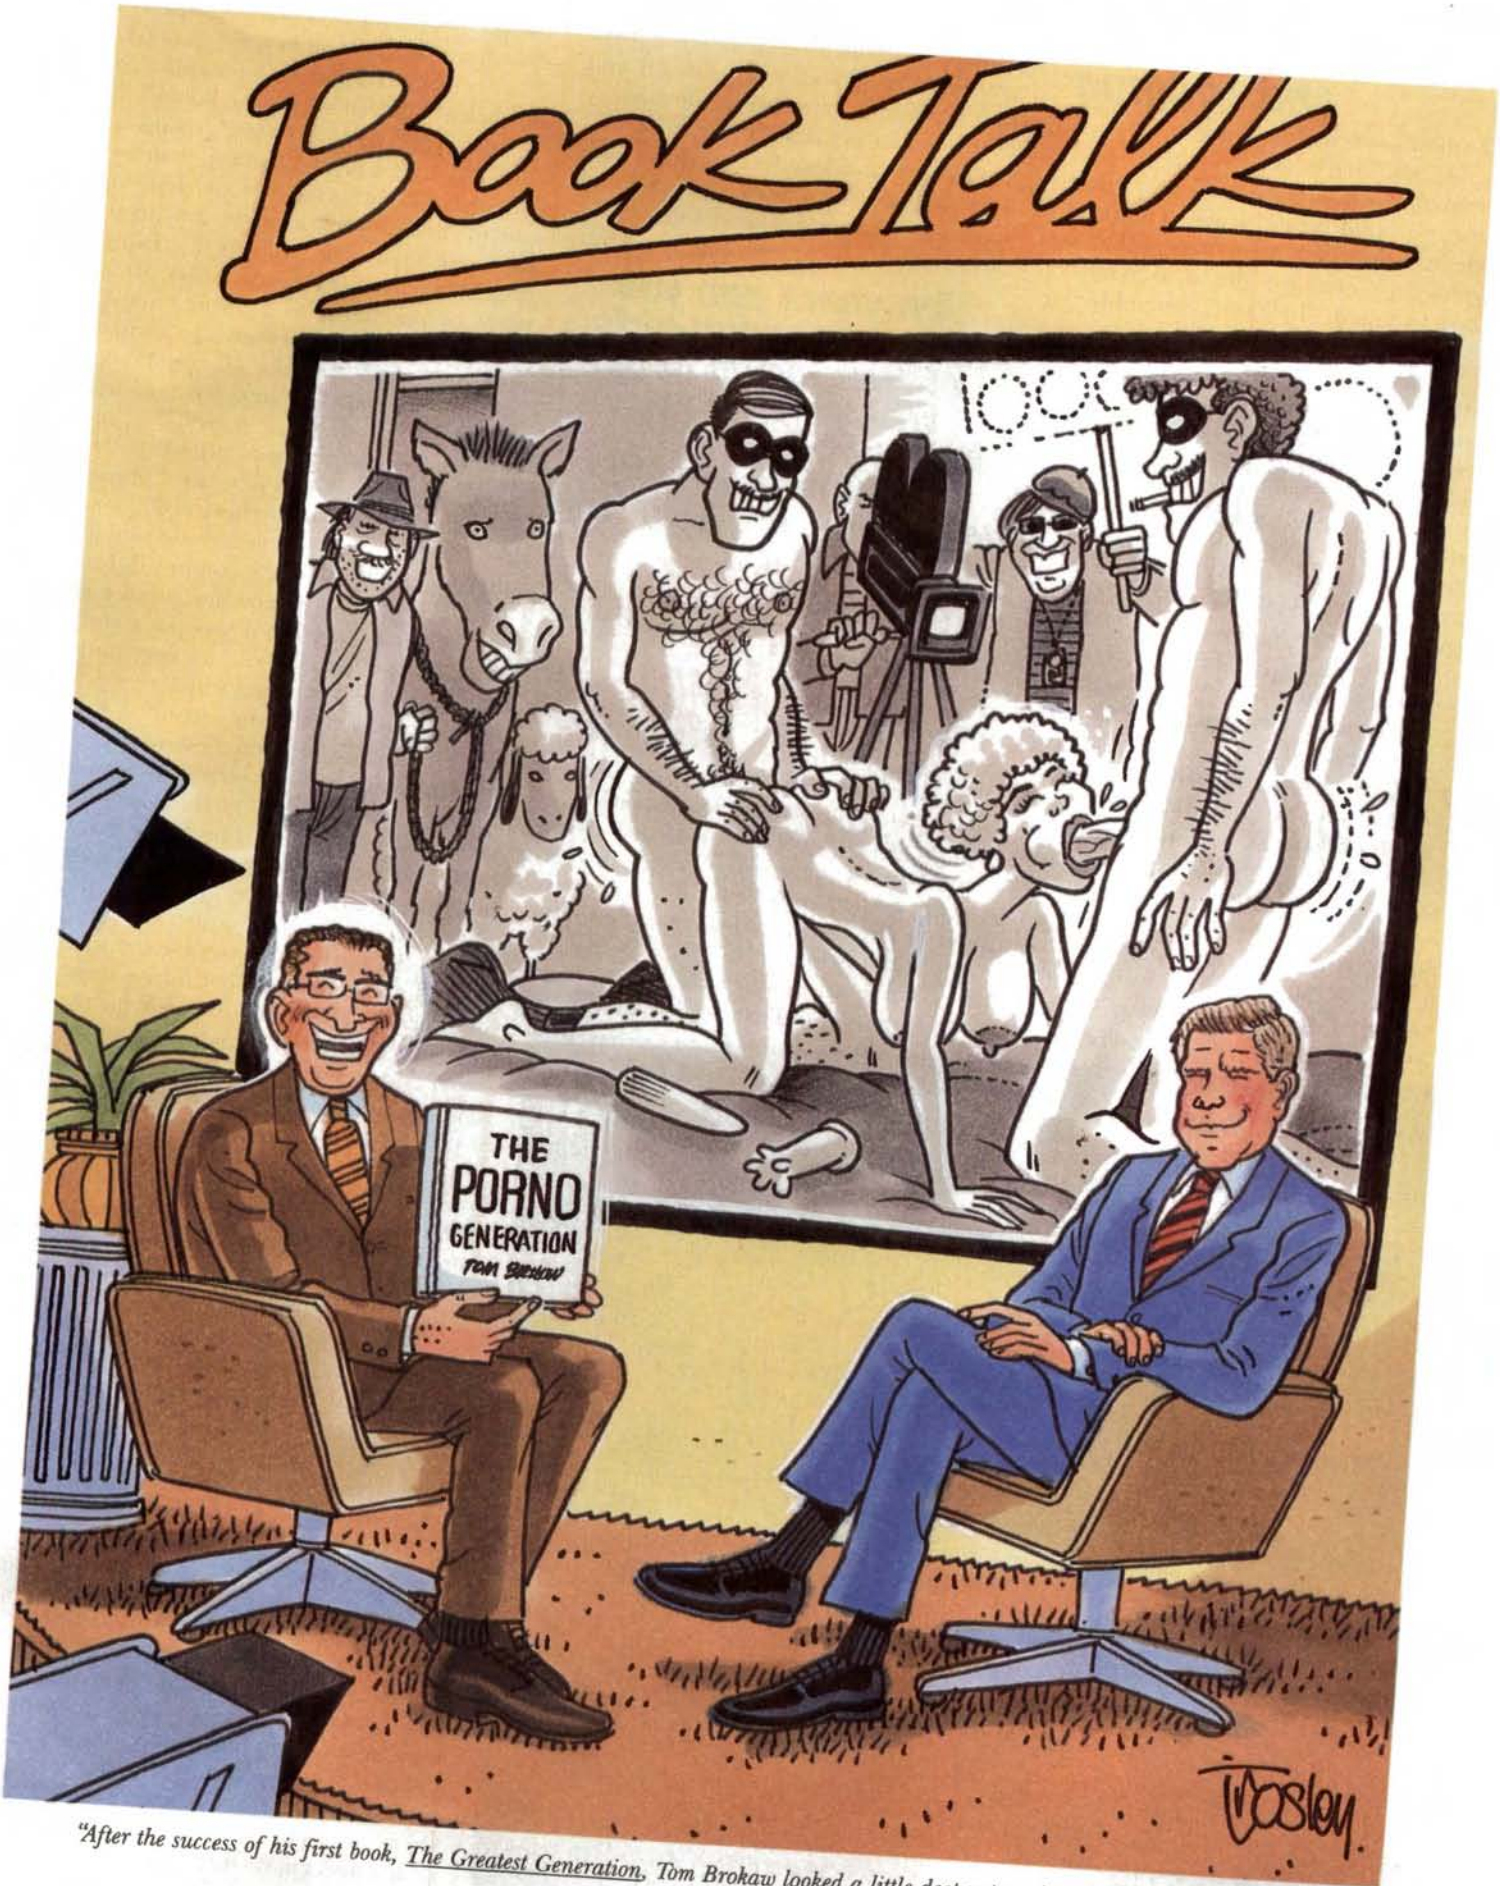
On August 1, 1952, the first Holiday Inn opened in Memphis, Tennessee, offering the then-revolutionary amenity of free ice cubes. In 1954, Howard Johnson's, which at the time specialized in roadside eateries, followed suit. Hundreds of once-profitable inns were run into the ground as these superclean, child-friendly giants opened up along the freeway.

Facing certain collapse, the financially strapped Coral Court ushered in the hospitality-industry trend of dishonor before death. The motel, whose rooms each had a private garage, implemented recklessly liberal rental policies. Its willingness to look the other way unto sheer blindness was quickly and frequently exploited by cheating husbands, whores on the hustle and horny prom-goers.

As the upstart chain motels took the decent-tourist crowd and their hard-earned cash, the once-proud Mom-and-Pop motels such as the Coral Court either died out or became the lunchtime dumping grounds for the DNA of "the Greatest Generation."

Billions of adulterous and/or hooker-assisted cum-shots later, the Coral Court and its sleazy brethren had firmed their place in the country's consciousness as an infestation of degeneracy. But as times and attitudes changed, so did the motels. Instead of keeping a low profile on the edge of town, new, upscale "romance retreats" are boldly advertising their comfortable love spas. Revamping their image from nests of disease to adult theme parks by offering sparkling, sanitary "mini-vacations," love hotels are becoming trendy, sometimes expensive, alternatives to





"After the success of his first book, The Greatest Generation, Tom Brokaw looked a little deeper to write The Porno Generation."

Ass, Cooze and Lodging

humping on the home court.

As sex motels evolve into high-class romantic getaways, they are also buying vacuums and hiring maids. The result: clean rooms with a minimum of dried splooge. Gone are the days when a heart-shaped "luv tub" resembled a sperm hatchery.

Splash, in Los Angeles (founded in 1979), is one of the pioneers among the new breed of adult-themed motels. Splash promises "immaculately clean, luxurious environmental suites," featuring hot tubs with water that, according to the spa's promotional literature, is "clean enough to drink." So what does it taste like? "Well—er—um—water, I guess," says a Splash employee.

Splash offers its clients a choice of opulent suites, from a stalagmite-covered cave room with a misting chamber, cedar-lined sauna, eucalyptus steam room, waterfall, aquarium, fireplace, wet bar and bidet, to the sleek, Euro-chic Barcelona suite. Guests can now fulfill their deepest sexual fantasies without the risk of contracting hepatitis.

Not to be outdone, the "Deluxe Suites" at Aurora, Colorado's Mon Chalet feature steam showers, water-column lights and in-room "sex swings"—sort of dangling stirrups for the missus. For meteorologically excitable couples, a climate-controlled chamber programmed to sequence sun, steam and rain can add a warm breeze or a heavy downpour to any act of fornication.

Swingers and socialites may purchase a clothing-optional pool pass ($17 on weekdays, $22 on weekends) that facilitates name- and wife-swapping. While an hourlong tryst at the sleazier motels can cost as little as $10 for as many perverts as can be stuffed into one room, modern, theme-oriented sex motels can command an hourly rate of $55 per person. Crisp, unstained sheets apparently come at a price.

"Ten years ago you never saw young girls coming down here. When I grew up, it was pizza and miniature golf; nowadays, it's beer and butt sex in the Mata Hari suite."

"These are comfortable rooms," says Vin, who I found exiting Splash with his girlfriend. "The remotes have batteries, the pillows have pillowcases, and everyone here is cool and very discreet. They've got fresh linens—I could live in this place. I'd even eat off the floors."

The modern "love motel" claims a much kinder, gentler clientele than its semicivilized forebear. Kew, a clerk at Friends and Lovers, a newly gentrified sin lodge in upstate New York, claims problems are now a rare exception. After years of operating as a urine-stained refuge for street creatures, the owner renovated, and with the 40 reworked, "romance-friendly" suites have come appropriately decorous patrons. "I've never had to call the cops since we made the change," Kew says proudly. "These are good people coming here now.

"Ten years ago you never saw young girls [aged] 22 and 23 coming down here," adds Kew. "But now, they think it's fun. When I grew up, it was pizza and miniature golf; nowadays, it's beer and butt sex in the Mata Hari suite."

At Splash, everyone from A-list celebrities to honeymooning seniors can be found making the scene. "A lot of younger, college-aged girls drop in," says a clerk. "They blindfold their boyfriends and bring them down into one of our fantasy rooms for their birthdays or anniversaries."

But even with the royal treatment, something is missing. That furtive sense of urgency. The random knock on the door with God only knows what on the other side. The scurrying pests. The flashing lights of a cop car in the parking lot. In short, where is the reality?

What about the classic fuck-and-run joints for those who want their adultery unadulterated? While the upscale love motels are masters of self-promotion with their elaborate Web sites (Splash's site, splashspa.com, features soothing bubble sounds), the managers of the seedy, one-night-stand establishments are much less forthcoming with information.

Trying to talk to a representative of the hospitality industry's seedy underbelly over the phone is next to impossible. Many of these places are run by first-generation immigrant families who seem to think anyone with a question is trying to shut them down. Most hang up immediately when asked anything. Even relatively benign questions such as, "Is this an adult motel?" draw suspicious, terse answers and, inevitably, dial tones. Proprietors respond to, "Where are you located?" as if they're being asked, "Is there a bed hitch for my goat?"

Ass, Cooze and Lodging

(continued from page 68) truth, I rent a room at a no-tell motel in Denver, Colorado, dubbed, appropriately enough, Notel Motel (not to be confused with Tucson, Arizona's No-Tel Motel). I pay $35 plus tax for my three hours of ecstasy.

The room is typical of a sex motel converted from obscurity. Mirrors strategically line the ceiling, the walls and anywhere else the eyes might wander in the midst of coitus. But for the lack of light, laughter and vomiting children, the place could be an amusement-park fun house. There are errant black, curly hairs on the pillow. The room is a jungle of sick seediness that's almost as stale as it is damp. It's perfect. This is not the place for reservations or better judgment; this is a venue for spontaneous sparring on a lumpy mattress with a nameless stranger. The only theme here is perversity; I can almost taste the raunchy sex that has transpired here over the years. (I can definitely smell it.)

But ultimately there's nothing to learn by jacking off alone to a porn movie that, coincidentally, I already own. I attempt to masturbate to my reflection on the ceiling, but the mirror is too scratched and filthy to render a proper image.

Hoping to meet some sleazy patrons, I check the "swinger's board" in the lobby. The bulletin board is almost completely bare. A 3" x 5" index card with the words "Bob is in room #6 looking for hot-tub action" scrawled in Magic Marker is the most promising lead. I'm not going to give Bob any hot-tub action, but maybe he will be a good interview subject. But as I approach room #6, I

can hear Bob sobbing uncontrollably. Just as I'm about to knock on the door, I have an epiphany: To really understand the sex motel, I need to go undercover and work at one myself. It's either that or room #6 and Bob. I walk back to my room and rub another one out, shooting my hand-churned nut butter all over the cover of a phone book. *That'll show 'em*, I think. But who are they?

* * *

Procuring a position at an adult motel is easier than one might expect; sex motels have extremely high turnover rates. When I go in for training at the most bedraggled "hot-sheets" motel in Las Vegas, which I will call the Blue Elephant, the very first thing my new boss explains is proper phone etiquette. "Never answer the outside line," he warns. "If I want to reach you, I'll call, let it ring twice, hang up and call again."

"That's not how we did things at the Holiday Inn," I say, trying to give my phony resumé some real-world weight.

He shakes his head wisely. "This ain't the Holiday Inn." He points to the marquee that reads, "Whoop, here it is." Much like the sheets, the sign at the Elephant isn't changed on a regular basis.

Most of the time I sit in the office alone, changing the porn tapes every few hours. There are three different channels of smut and a dozen tapes of lousy, second-or-third-generation '80s porn. The place could be dead all night, but at 5 a.m., as soon as the video ends, the phone goes crazy—somebody at the other end screaming, "Change the fucking tape!" Guests always call me with their special viewing requests. A couple in room #2 wants to see something with dildos. If that's not possible, they'll settle for a movie "from this fucking century." I curse them and hang up the phone.

If the Elephant appears resentful of its patrons, it's a two-way situation. Guests don't just do their business and get out, they bequeath messes. They don't just leave jars of Vaseline behind, they smear petroleum jelly on the bedsheets and huck chunks of it into the air-conditioning units. Toilets are clogged with bath towels. While waiting for their block of time to run out, motel patrons deface the walls with fecal graffiti.

Even by the Third World standards of hourly-rate screw shacks, the Blue Elephant is at the bottom of the barrel. More accurately, it's the unknown, greasy-gray shit that accumulates *underneath* the barrel. Blow-up dolls—from sheep with anal openings to air-powered transsexuals—reeking of stale cum, plastic dicks covered in dry shit, used condoms pulled over beer bottles, and the much-lamented pizza box hiding new lows of humanity's sexual depths appear on a regular basis.

Short of a smoking corpse, nothing terrifies a night clerk at a sex motel more than a hidden pizza box. It's where guests conceal the dark evidence—what they wouldn't want the

Ass, Cooze and Lodging

maid to see (if there was a maid) but feel the unconscious need to preserve. The empty, grease-splattered pizza box is a cold, dead showcase in the unseemly world of hourly-room rates, an altar and a hiding place for the unspeakable. A dead body is a known quantity; a week-old slice of pepperoni and olives rolled over a cum-covered turd in a condom with bite marks taken out of both ends begs too many questions. The $6.25 I make per hour hardly pays for food, let alone therapy. But these are the consequences of working at a place that rents rooms at $10 a shot, keeps no credit card on file and requires no ID (from either its employees or its customers).

Aside from the working girls that come in late off the Strip, the Blue Elephant doesn't see many women. However, it does attract more than its fair share of Germans. Once summer arrives, so do the Deutschlanders, many touring the U.S. on Harleys. They romanticize post-War America, including the American sex motel, and the Blue Elephant is a particular favorite. Some make the pilgrimage to Vegas for the sole purpose of staying at the Elephant. Invariably they ask for room #1; some obscure German filmmaker once lensed a scene in that room. For the Teutonic pervert, busting a nut on the bedspread or taking a dump in the sink is the equivalent of a mountaineer setting foot on Everest.

All the rooms at the Elephant are relatively unfit for occupancy, but room #1 is beyond repair. It has been partied in nonstop for 50 years—the same bed, the same furniture, the same toilet. The threadbare, once-red carpet is thin and hard over the cement floor and is covered with burns and discoloration due to dried puke residue and shit streaks. There is a long, dark stain that looks as if someone dragged a corpse from the front door to the bathroom. The Styrofoam ceiling panels are yellowed from smoke and whatever else the human body is capable of projecting up there. Animals have been brought into the room as both pets and lovers.

All the rooms at the Elephant are unfit for occupancy, but room #1 is beyond repair. The once-red carpet is covered with burns, dried puke residue and shit streaks.

Needless to say, the Germans love it. It's a badge of honor to survive a stay in room #1 at the Elephant. "Oh, it's very chic," explained one randy kraut, a pair of white sunglasses resting on his forehead. "We have for long wanted to come here. It's so fantastic. So real. I'm going to roll around naked on the floor."

"It's a second wave, an appreciation for 1950s America and the whole road-trip culture," explains my father. "Back when sex was still something dark lurking under the surface, coming to a no-tell motel was an act of desperation and desire. It was rebellious."

The enthusiasm of the Germans seems reminiscent of a younger, less-cynical America, back when a blowjob still counted as an illicit thrill. Today, sex has moved from behind the green door to directly in front of it. According to my own informal survey, four out of every ten people on the street know what a D.P. is. Felching is often discussed in mixed company. The new, dignity-friendly sex motels may offer just about everything, but there's something to be said for what's missing. The Germans continue to appreciate the days when a man could set a strange girl down in some still-warm puddle of cum and beer and tell her to take it like a dirty whore while, one room over, a broke, pot-bellied hooker sucked some derelict's prick for drug money.

* * *

Everything in America, and especially Las Vegas, is becoming more commercialized, and the Blue Elephant is no exception. The motel is changing ownership for the fourth time in two years. The latest proprietors are transforming the cesspool into an upscale love motel. One of the first improvements the management decides to make is removing me as night clerk. It seems that I don't fit in with the motel's "new image." It's probably for the best. After working there for five weeks, I've learned more than I needed to know for this article or, for that matter, my entire life.

Two months later, I call the motel, disguising my voice, and tell them I'm writing a piece for HUSTLER about sex motels. The clerk who's taken my place is more than happy to talk to me. "We'll be putting in a couple of new theme rooms in the fall," he boasts. "One of them's going to have a 'seedy sex-motel' look to it. It'll have the works—shag carpet, cheap towels, mirrors on the ceiling. It's gonna be a real shithole. Of course, the roaches will only be plastic."

Reggie went to his favorite dive and saw two hot women drinking at the bar. After screwing up his courage Reggie walked over to the lovely pair and offered to buy them drinks. The ladies accepted his offer. Feeling lucky, Reggie bought them two more rounds. After the third round, the two women stood up and left without a word. "Fuckin' cunts," Reggie grumbled.

Half an hour later one of the lovelies walked back in and said to Reggie, "Thanks for the drinks."

Still pissed, Reggie didn't even nod.

"You know," said the chick, "my girlfriend is out in the car with her legs spread and she wants to know if you'd like to smell her pussy."

"Yeah! Sure!" Reggie blurted enthusiastically.

The hot chick lifted her hand, ran her fingers under Reggie's nose and said, "Smells good, doesn't it?"

The HUSTLER Dictionary defines *Nazi dominatrix* as: A strict-discipline Aryan.

A teenager took his younger sister to the zoo, where they saw two monkeys having sex in their cage. The little girl asked her brother what the primates were doing, and the flustered sibling replied, "They're making cupcakes."

The next morning, the little girl skipped up to her brother and whispered, "Mommy and Daddy were making cupcakes last night."

The boy asked, "How do you know?"

"Because I licked the icing off the couch this morning," answered his little sister.

Question: How do you make a woman pick cotton?

Answer: Light the little string on fire.

A guy walked into a bar, ordered a triple scotch and drank it down in one gulp. "Wow," said the bartender. "Something bad must have happened."

"I came home early today," answered the guy. "I went up to the bedroom, and there was my wife having sex with my best friend."

The bartender poured another triple shot and said, "This one's on the house."

The guy gulped it down once again. The bartender asked, "Did you say anything to your wife?"

The guy answered, "Yeah, I told her to pack her bags and get out."

"What about your friend?" asked the bartender.

"I looked him straight in the eye and said, *'Bad dog!'*"

A young woman fell off her 20th-floor balcony. As she passed the 15th floor, a man leaned out his window and caught her in his arms. "Do you give head?" he asked.

"No!" the girl shrieked. So he dropped her.

As she passed the tenth floor, another guy reached out and caught her.

"Want to fuck?" her new rescuer grinned.

"Of course not!" the woman said. He dropped her too.

A third man caught her as she passed the eighth floor. In a panic, the girl screamed, "I'll suck! I'll fuck! I'll god-damn rim you, take a load in the face, whatever!"

"Slut," muttered the third guy, and dropped her.

Question: What's the slogan for the new restaurant, Kentucky Freud Chicken?

Answer: "It's mother-fucking good!"

A truck driver traveling through Nevada stopped in a legal brothel. "I have $500. Give me a bologna sandwich and the ugliest girl you have," he told the madam.

"Honey," said the old whore, "for $500 you can have a steak with all the trimmings and the belle of the ball."

"Oh, I'm not horny," explained the trucker. "I'm homesick."

Two drunk blondes were stranded in the middle of the boondocks trying to get home. The first blonde needed to take a piss; so she tromped off into the bushes. After almost ten minutes, the second blonde began to worry and headed into the field to look for her. She walked almost a mile until she finally found the first blonde, kneeling beneath a horse and sucking its cock.

"What in the world are you doing that for?" she asked.

The first blonde pulled her lips away from the huge cock and drooled, "Hold on, I think I may be able to get us a ride home!"

Two men, bare knuckles raised, circle within a 20-foot-wide octagonal cage. Television lights overhead highlight every bulging vein and bead of sweat. The crowd, separated from the fighters by nothing more than the chain-link walls of the cage, and fueled by 50¢ beers and cheap shots of hard liquor, fills Recife, Brazil's 20,000-seat Geraldao Arena with banshee wails and high-pitched whistles; the sound is like a warning siren foretelling some grave violence. Security personnel, by U.S. standards, are noticeably lacking. Francisco "Chico" Bueno, 6-1 and 220 hard-muscled pounds, is an eight-time Brazilian jujitsu champion and is the favorite of this audience, which is one provocation short of becoming a mob. They chant relentlessly in Portuguese: "You're going to die! You're going to die!"

The brunt of this threat is 6-4 Mariano Mendoza, a hulking Muay Thai kickboxer who has come to fight from Los Angeles, California. Mendoza is a veteran of underground wars staged in Tijuana, Mexico, where his battle-tested reputation has earned him the right to confront Bueno in the main event of the World Vale Tudo Championship XII. Mariano flexes his 275 pounds of ill-intentioned brawn. *Vale tudo* loosely translates from the Portuguese as "anything goes," an interpretation that Mendoza takes literally. He smashes a front kick into Bueno's gut and whistles a wicked elbow at the Brazilian's mouth. Chico absorbs the kick, deflects the elbow and shoots underneath Mendoza's guard to wrap the powerful giant's legs. Hoisting the titan into the air, shoulder height, Bueno slams Mendoza into the thinly carpeted plywood flooring. Nearly 500 pounds of raging human shake the cage to its foundation and send the shot-swilling crowd into a frenzy. Bueno plants a knee on Mendoza's stomach and pounds punches into the bigger man's jaws, temples and nose. Enraged, Mariano throws Bueno off and scrambles to his feet. Bueno shoulder rolls to a crouching stance, and the fighters stalk one another anew. In the background, the crowd amplifies its chant: "You're going to die! You're going to die!"

If an American fan of recreational battery has a hankering for no-holds-barred, knee-in-the-face prizefighting, he'd better be prepared to travel. Brazilian promoter Frederico Lapenda has been called the Don King of "anything goes" fighting. Young, dark-haired, keeping at least one cell phone going at all times, Lapenda has taken Vale Tudo to Croatia, Israel, Ukraine, Russia, Holland, Belgium, England, Japan and Aruba. His entrée to fight promoting came through a connection with Brazil's Gracie family. The Gracies are the country's premier jujitsu dynasty. In the early 1990s, the family reached prominence in the U.S. when Royce Gracie won the first three Ultimate Fighting Championships. The UFC was

basically Vale Tudo on cable TV, garnering up to 300,000 pay-per-view sales at $40 a pop. Top fighters such as Ken Shamrock, Tank Abbot and Mark "the Specimen" Kerr were becoming household names until the cable industry pulled the plug.

Within "the Movement" to restore no-holds-barred (NHB) bouts to American audiences, the name of Senator John McCain (R-Arizona) is invoked with regularity and contempt. McCain, who is said to have derided Ultimate Fighting as "human cockfights," is widely held to be responsible for pressuring cable providers Request and Viewer's Choice to drop the sport. Disgruntled conspiracy theorists allege that McCain's wife comes from Budweiser money and that Budweiser, being a major sponsor of televised boxing, has a stake in keeping NHB off the TV.

To deny fighters their forum is downright un-American, contends one of Lapenda's lieutenants. "Mark 'the Specimen' Kerr was an NCAA wrestling champion at Arizona. Matt Limand is an Olympic silver medalist, and he's an ultimate fighter. World-class athletes consider NHB a legitimate venue for their talents; who is some publicity-grubbing politician to argue with them?"

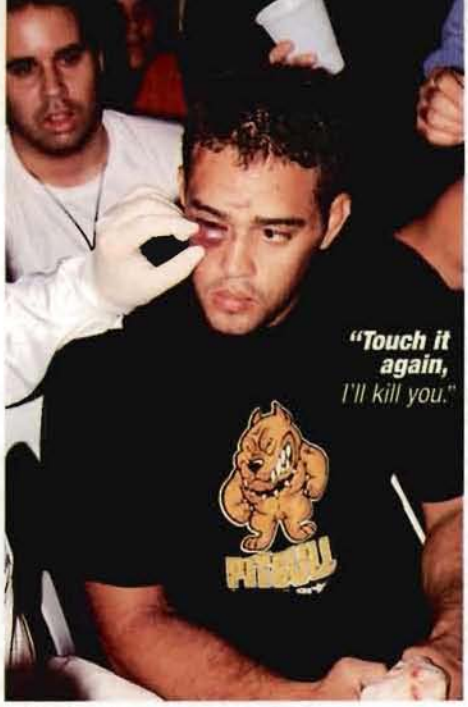
Recife bills itself as the Venice of South America, and the place is a lot like Venice, if Venice were ringed in mean Third World slums. The dusty alleyways of the neighborhoods between the airport and the Parthenon Golden Beach Hotel are hard parts of a hard land. A skinny girl walks her bony puppy. They both look scrappy.

The view from the hotel window takes in three swimming pools, separated by sculpted lawns like putting greens, a Jacuzzi lagoon, a thatch-roofed bar with swim-up service, swaying palms and a ribbon of shell-white sand that shines bright well after dark. Mild Atlantic swells splash into the shore as if spilling into the lap of luxury. The 30 fighters are easy to pick out from the hotel's weekenders: jaws hinged by lumps of muscle, heads wide and close cropped, thick necks, casual muscle, that light-toed gait of a bone crusher patrolling his junkyard, eyes scanning, very little menace, very little malice and



absolutely zero nonsense.

The empty interior of the Geraldao Arena, with its geodesic domed ceiling, is like the inside of a giant cement honeycomb. Hammer blows ring out and echo as workers construct a chain-link cage in the center of the auditorium. The bottom of the cage is plywood, with support beams arrayed like spokes underneath. The matting that will cover the plywood is no thicker than typical living-room carpet. About 30 to 50 matter-of-fact hard men, fighters and trainers, straggle in. Everyone talks to someone, except for one mystery hulk. Towering, head shaved and scarred, shoulders as wide as a steppe, he is assumed to be Russian. Well behind him, Darryl Gholar, a member of the wrestling squad on the same U.S. Olympic team as boxer Evander Holyfield, skips rope like a dervish. Everyone assembles without being told, taking seats in a row of red chairs. Even sitting, Gholar works, pulling arm isometrics with his jump rope braced under a foot.

Lapenda cautions against booting "somebody in the head like a soccer ball. Don't kill the guy," he argues. "It's unnecessary. What good does it do?"

Promoter Frederico Lapenda gives an oration in Portuguese, a language that sounds like a mix of Spanish and Russian. Darryl has earphones in, playing a tape. His broad, dark-brown face is somehow relaxed and tense at the same time. Behind Frederico, construction of the cage continues, hammers falling, under the scrutiny of the combatants who will be locked together within it. Lapenda finishes his Portuguese address and reviews the rules for his English-speaking factions. Time limits will be 20 minutes. No eye gouging, not with chin, not with elbow. Opponents are encouraged to stand together in a display of sportsmanship after their fights. Lapenda allows kicking a man on the ground, although he cautions against booting "somebody in the head like a soccer ball. Don't kill the guy," he argues. "It's unnecessary. What good does it do?"

The mystery hulk sits silent. Did he understand, or will the messages be transmitted to him in some harsh Slavic tongue later?

Lapenda promises two doctors on hand for the hostilities, and an ambulance.

Fight day is a day of tension. Faces scowl all up and down the Parthenon Golden Beach's breakfast buffet. One particularly evil glare comes from an Irishman named Johnny Burrows. Johnny has traveled to Recife from Belfast with his brother Andrew, who is not fighting, their trainer Kevin Mooney and the big fella, Tom Lamont, a heavyweight contender. The Irish team arrived in Brazil on Tuesday, four days previous, and have paid for their own flights. Johnny is competing at the 78- to 80-kilogram weight, which, he quickly clarifies, is 12½ stone. He regrets that England forbids the cage. "It's not a cage really. It's just an enclosure. It's open on top. A cage has a ceiling."

"A lot of fighters prefer the cage to ropes," says Andrew. "In a cage, you can't get thrown through ropes or hung up on ropes."

Brazilian favorite Francisco Bueno enters the dining room in a Superman T-shirt. Two vying camera crews are following Bueno. Bueno is Brazilian royalty, according to a cameraman who has spent the past week tracking him through Rio. Great-great-great-grandfather Bueno, the story goes, was a stand-in for the king of Brazil while the

true king was detained in Europe. Francisco is a good-looking guy, like Oscar de la Hoya crossed with Bruce Springsteen. He breaks focus and mugs for the cameras, then seems to remember why he is here. In the elevator after lunch, Chico sucks down deep breaths, hitting his fist to his solar plexus.

The mystery hulk is not around. Rumors say that he knocked out South African Francois Botha, a/k/a the White Buffalo, who is best remembered for surviving a few rounds with Mike Tyson. The specter of a commonality between Tyson and the mystery hulk adds another dash of menace to the mystique.

Fans filter into the Geraldao Arena honeycomb. Frederico Lapenda cruises with headset and cell phone, functioning in crisis-aversion mode. The eucalyptus smell of liniment pervades the arena's backstage. Fighters stretch against walls. Twenty or so ring girls apply makeup and skimpy outfits in a shower room. The girls flutter around, of all colors and heights, united in their skintight mode of dress. They cross their legs and scope the fighters, doing a handicapping of their own.

"It's always waiting," says Paddy Mooney, team Ireland's trainer. "All the tournaments, not just Brazil. The UK, Ireland, everywhere. I wish we could just get in and get it done."

The pants and skirts on the girls are cut so low on the waist as to graze the pubic bone. The females smell of citric perfume and cigarette smoke; clouds of it waft by as they pass, with a musky underscent of chronically damp pussy.

The cage is no place to test your negotiation skills.

One reporter approaches the mystery hulk, who glowers beneath a black watch cap. His voice is deep and low. The presumed Russian identifies himself as Mariano Mendoza, a competitive Muay Thai kickboxer from the L.A. Kickboxing gym in downtown Los Angeles.

"It's not a cage really. It's just an enclosure. It's open on top. A cage has a ceiling."

"We hear you've had some memorable victories."

"I've won a lot of undergrounds in the past two years," says Mendoza. "They have some real good fights down in Tijuana."

So there's no Botha, no Tyson connection. Mariano stands up to stretch. There is, however, his size and strength, and the deadly determination on his face.

The ring of lights above the octagon flashes like a halo of halogen, and the crowd wails and whistles. The referee comes in to inspect the cage. Vale Tudo matches have no judges, but there is a referee. On a chokehold, a loser can pass out, and the winner applying the hold won't realize that the loser is unconscious. More than 30 seconds of asphyxiation can cause permanent brain damage. The referee's job is to avoid permanent brain damage. He punches the mat, and it thuds like solid wood.

A 50-foot elevated runway connects the dressing rooms to the octagon. The cage is raised four feet on a black foundation. Security, what there is of it, attempts to wrangle seat hoppers out of the few front rows reserved specifically for friends and associates of Lapenda. They abandon this simple containment.

The arena drops into darkness, and the real howling comes. Red lights swirl in dry ice at the cage's entrance. A skinny guy, naked except for shorts, trots down the ramp, holding two championship belts aloft. The opponent follows him, to less fanfare. The gate is latched shut behind the fighters, a pair of

STRIPPERS AND FIGHTERS— THE UNSPEAKABLE CONNECTIONS

When promoter Frederico Lapenda tallies his accounts after the Recife tournament, he discovers that a fighter has stuck him with a $300 room-service bill, mostly laundry charges. What other genus of entertainer pulls such stunts? Exotic dancers. The similarities do not end there. Exceptions do exist; in particular, any fighters who read this list of shared characteristics:

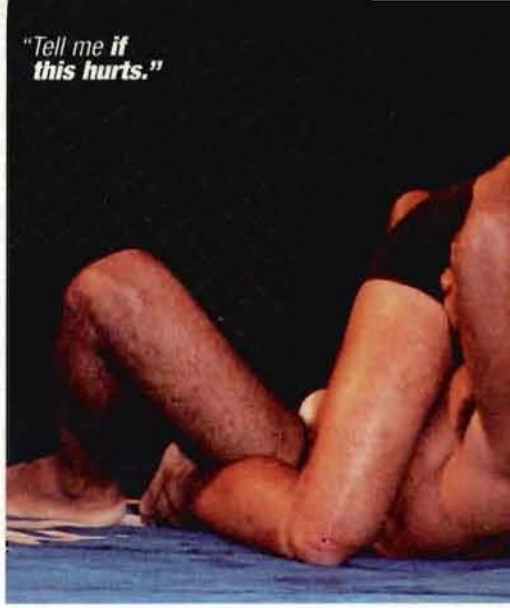
Brazilians, relatively light guys, but capable looking. The referee briefly consults the two. The pugilists shake hands, a bell rings, and suddenly one guy has two hands behind the other guy's neck and is pulling his head down for vicious knee strikes to the face. It's hard to defend against knees to the face, let alone mount any type of offense. The challenger, who is quickly shaping up to be the victim, breaks from the grip, but is thrown flat on his back to absorb kicks from the standing fighter, who leaps in the air to descend, foot first, on the prone man's nose. Blood lust erupts in the cavernous hall. The fight lasts less than two minutes.

The second match comes right on the heels of the first; there's hardly time to wipe the blood out of the cage. Over the evening, there will be 15 fights, which Lapenda will edit into two videotapes, one marketed as *World Vale Tudo Championship XII*, the other *WVC XIII*. Some of these fights are remembered in their entirety; others contribute to a splashy-red highlight reel. The grappling moves are reminiscent of Olympic-style wrestling, then come the head butts. The fighters cling like second skins to each other. Though these athletic young men wear little more than Speedos as they squirm in one another's embrace, it is not gay. Those punches knock loose any notion of man-to-man love. The grapplers gaze off into nowhere, looking for the hold, the slip, the strength.



Half carried from the ring, he pauses to tap the side of the winner in a show of respect that would make Lapenda proud.

Seconds and trainers crouch outside the octagon, clutching chain link and shouting at their fighters, blocking the views. Vociferous fans throw beer on them, not wanting to miss one shot. Rivers of beer are being consumed. Not much smoking. Cigarettes interfere with the drinking.

A fighter in bloodied white trunks, one shallow breath away from expiring, survives 20 minutes of chokeholds, slamming takedowns and kidney punches to put his tormentor out.

A black South American slams full force into the fence and bleeds from high on the forehead. He stands his ground, but his feet are being stomped. No eight count after a knockdown; jump right back up or be trampled. The aggressor grinds his head into the black guy's bloody mess.

A rangy kickboxer breaks out of a takedown and drops his muscular foe with a perfect right hand, closing in to finish him off with kicks. The bigger guy lands hard; plywood strikes the back of his head like a second blow. Half carried from the ring, he pauses to tap the side of the winner in a show of respect that would make Lapenda proud.

Shots of rum, scotch and vodka are being sold by vendors with wooden trays strapped around their necks. Pause to buy a shot of rum, and look up to see a fighter scuttling on his back like a crab, trying to fend his attacker off with his raised legs. The crowd is very alert to the details of inflicted punishment. Minutes mount. Fatigue factors in. The fighters lock in the same positions too long. Booing, hissing and whistling rain down. Sweat is a determinant now. There's a trick to holding a grip on a greased-up arm or leg. Finally the guy on the bottom taps out. The winner helps the loser up, and gives him a hug. The spectators boo.

Back in the dressing rooms, the ring chicks have all slipped into bikinis. Cheeks hang out so slap-tempting that the girls are spanking one another.

In the ring, a young Brazilian throws an elbow and busts an older Brazilian's nose, after the older guy had tapped out. The veteran pops to his feet and smacks the youngster in the face. The opponents refuse to display class sportsmanship. Mendoza stands watching with his black cap pulled low.

Johnny Burrows stalks slowly down the ramp, runs around the enclosure and looks a little caged. A local hero comes in accompanied by four guys and a flag draped around him. He receives an ovation of dog-like barking. "Boca! Boca!" roars the crowd. *Boca* means "mouth." The Mouth is from Recife. He casually looks

***"Get away.** Doctors are for pussies."*

YOU CAN PICK YOUR ASS, BUT DON'T PICK THIS FIGHT

The wise man weighs the risks of public fisticuffs: A street fight's loser suffers bodily injury and psychological trauma. The winner is subject to incarceration on battery charges, which invites bodily injury and psychological trauma. If you must rumble, avoid choosing off anyone with the following attributes:

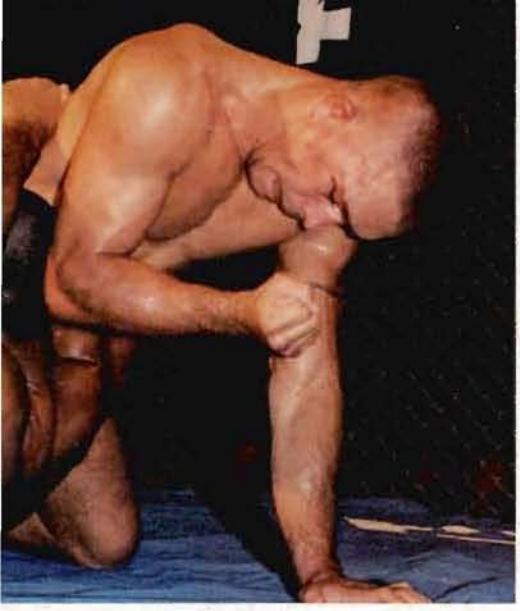
***Knuckles like these:** Such fists are accustomed to connecting, and hitting hard. Unless your nose is comparably callous, say goodbye to breathing right for at least six weeks.*

***Neck muscles like these:** Guys this strong refuse to be knocked out and typically throw the last punch. Give up before he snaps your head back like a pumpkin on a pencil.*

***Buddies like these:** Interracial friendships are fire-tested every day. Don't expect to beat one of these guys and then just walk away from his partner.*

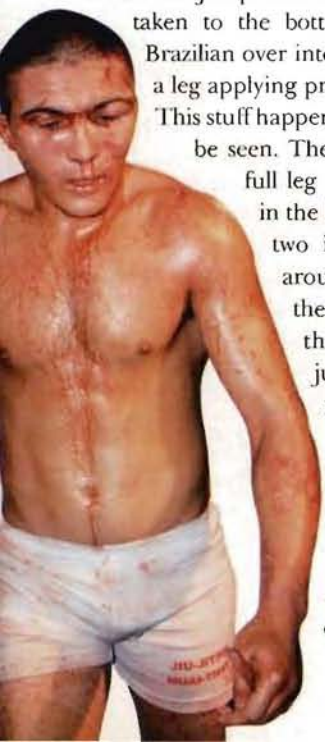
***A hankie like this:** Only a closet homo derives any glory from queer bashing.*

***A briefcase like this:** That's a lawyer, you fool.*



across the ring at Burrows. Mouthpieces in. John throws a complement of solid punches and lands sharp elbows to the back of the neck, but Boca is soon straddling him, smashing fists into his face. The crowd loves that, but Burrows's countrymen have seen enough, and the towel flies in over the chain link.

Fourteen *chicas* in bikinis do one circuit of the enclosure and file out; their butt flesh twists and flexes. People the world over enjoy this kind of thing. The first heavyweight bout features Irish Tom Lamont, who looks to be incredibly fit for his age, but still about 40. He enters the ring to no reaction at all. The crowd senses another blowout. His hefty Brazilian opponent receives a warmer reception. John Burrows's brother Andrew crouches with trainer Paddy Mooney cageside. Tom drops his man with a kick and jumps down to grapple. Tom is taken to the bottom, but flips the Brazilian over into an arm lock with a leg applying pressure to the joint. This stuff happens almost too fast to be seen. The Brazilian flings a full leg kick that hits Tom in the head and spins the two interlocked bodies around. If they were the hands of a clock, they would have jumped forward 20 minutes. When the Brazilian taps out, the crowd goes completely silent. Paddy and Andrew are ecstatic, airborne in the quieted arena, and Tom is flying too. Eventually, the audience relinquishes the slight applause of grudging admiration.



Mariano steps into the cage and almost fills it, huge, like a ripped mastiff. A frenzy comes as Bueno walks down. Mariano throws some warm-up kicks, snaps a knee up past his chest, forceful enough to decapitate a man. Chico nods across at Mendoza and shoots straight to takedown, playing directly to his strength. Mendoza, bigger, stronger, fast and furious, escapes five times to attack and be dropped again. Finally, Bueno wends an arm around Mendoza's throat and squeezes in the choke. The crowd is delirious. The hard liquor really works them up.

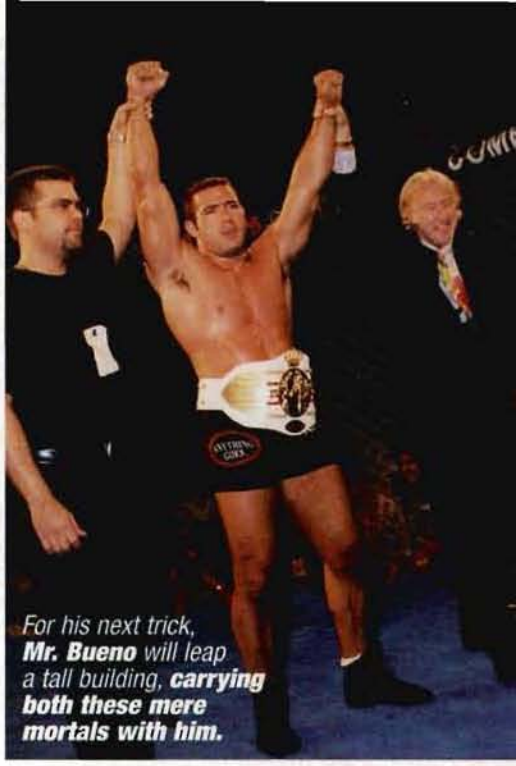
The girls saunter back for another circuit. Mendoza takes a seat out in the audience, gushing sweat, looking pretty upset. He's been friendly so far. Fans are having their photos taken with Mariano. He's happy to accommodate. The girls are all shades, shining examples of the Brazilian ethnic rainbow. Guys take off their shirts and wave them in the air. The girls are called into the center of the ring one by one for applause. Blondes, particularly improbable blondes, seem to be a house favorite. A sweat-sheened mulatto with falling yellow locks most fires the collective libido. Her ass trails about a block behind her.

"I was telling him, 'You're going to have to kick me harder than that,' but I was thinking, C'mon, don't kick me there again."

Two of the best fights in the later part of the night are Darryl Gholar's. Darryl puts a lot of weight on the upper body of a fighter from Rio. Once on the floor, Darryl cozies up close and inflicts mean head butts to one side of the jaw, and short, right-hand punches to the other side. After one of these rights, Darryl accesses the throat as Rio moves an arm to defend his face. In his second match, Darryl repeats his head-butt, right-hand magic. Blood drenches his opponent's face, pouring from more than one cut.

* * *

Mark "the Bear" Smith sits on an embankment, waiting for the shuttle van to the hotel. The Bear is a 300-pound, red-haired menace from Simi Valley, California. His opponent for the night had been an evil-looking local. Smith had taken him to the floor, knelt on an arm and punched his face. The guy escaped, Mark ate some fists, and the Brazilian scored strong kicks to Mark's upper thigh. After a long night, Mark looks dangerous with disappointment.



For his next trick, ***Mr. Bueno*** *will leap a tall building,* ***carrying both these mere mortals with him.***

"So what were you yelling at that guy, Mark?"

"I was telling him, 'You're going to have to kick me harder than that,' but I was thinking, *C'mon, don't kick me there again.* Usually, I squeeze their head, and they submit, but he got away."

Sunday-morning patrons in the lobby of Recife's Golden Beach Hotel bear witness to walking badges of courage. Johnny Burrows's face has a pattern of bruises and abrasions. His brother Andrew has a large welt on his forehead from where Johnny butted him in the excitement of warming up. Several South American fighters sit in the cafe, arguing the previous evening's phantom tap-out and late elbow. Without American TV, none of these fighters are rich from Vale Tudo; few make a living at it. American Olympian Darryl Gholar supports himself as a locator of rare books. For these pure athletes, payment comes in the form of honor, pride and respect. There's no shame in losing if you can hold your head up high and carry a big bruise.

Sophia tried to kiss me. I shoved my dick further into her trench to remind the tramp what she was supposed to be doing.

(continued from page 51) the milk shake cup in her hand soaking my back. That's when she tried to kiss me.

When will girls realize that Frenching the mouth that just blew you is as appealing as wiping your ass and then eating the paper? I was done with her yap. I dodged her jizzed-between lips, shoving my dick further into her trench to remind the tramp what she was supposed to be doing.

She didn't get it. Sophia brought her face in for a lip-lock two or three more times. She must have thought that my turning away meant I wanted her to lick my cheek and ear. I was close to coming; so I put all of her weight on one hand and used the other to shove her face away.

I'm not a weak guy, but keeping a woman off the ground with one hand while you're firing a wad into her and trying to put some distance between your mouth and hers is, at best, an awkward position.

As she fell, trying to grab onto my spasming cock with her pussy, the mint-cookie shake became airborne. So did my last few blasts of spuzz. Both fluids splashed onto my car seats.

Sophia's curvy heinie picked up a few bruises from the gravel, but that wasn't a big deal. The girl was damned lucky I always keep a bag of rags and some cleaning fluid in the trunk. She managed to remove the sticky mess, but I made Carl drive the butter-fingered cunt home.

I don't mind telling you about this big-assed tramp, and I don't begrudge my friend and his wife spicing up their bedroom antics with a video of my sexual adventure. But I wish they'd tape over that stuff at the end. —T. M.

Ball of the Wild

A lot of college guys spend their summers partying across Europe on Daddy's dime; I have to work for my tuition. I found a decent seasonal job on the trail crew at North Woods National Park, which has landed me more hairy pussy than any dude tooling around France ever dreamed of nailing.

About 300 19- and 20-year-old, unshaven environmentalist girls make their way to the south shore of Lake Superior every year, drawn to the dozens of pristine, wooded islands that have no roads and can only be accessed by boat. It's only when they arrive that these granola-fueled playthings realize that men are in short supply.

I was using a Pulaski to lop off tree branches that jutted into the deer path, which connects the ranger station to the landing. I heard two girls giggling behind me, but I ignored them and kept working until they spoke.

"Hi, Len," Deena sang, clasping her arms behind her back and pointing her L.L. Bean-clad crotch up at my nose. She was a lanky, bespectacled redhead who was writing a big paper on moose calls and favored khaki vests.

"Whatcha doin'?" added blond Lori, who had an internship as a park ranger assistant and a heart-shaped ass that twisted left, then right, like a wagging tail, when she flirted.

"Trimming the bushes," I said.

I wiped the sweat from my face and stood before the girls. I knew where this was going. There were only the three of us on the island; the only boats at the landing were mine and Deena's. Lori lived at the ranger station—generally by herself.

"Would you mind seeing to *our* bushes?" Lori chirped, batting her eyelids. She probably thought she was being subtle. As if they'd prearranged it, the earthy coeds turned around and dropped their panties, bending forward to show off two of the densest clumps of cunt whiskers I'd seen. It was as if these girls had the Smith Brothers stashed between their legs. I used the heel of my Pulaski to gently part Deena's coppery thicket. Sunlight dappled over the palest, juiciest pink petals I had ever encountered.

All three of us raced to Lori's station.

The blonde's forest-green uniform came off first. She leaned back on the braided rug, and down I went. I wet her unruly thatch with a gob of spit and licked the bush out of my way, ramming my tongue into her salty clam. I let her soggy loofah scrub my face. Lori grabbed my head and ground her ranger's forest into my chin. As I rolled my tongue over her clit, I felt Deena tugging at my jeans. The redhead managed to wedge her face between my legs and slurp at my rod.

Lori spasmed hard. I felt the hair around her lips stand on end and scour my cheeks like a wire brush. I gave her tunnel a goodbye lap and turned my attention to the (continued on page 122)

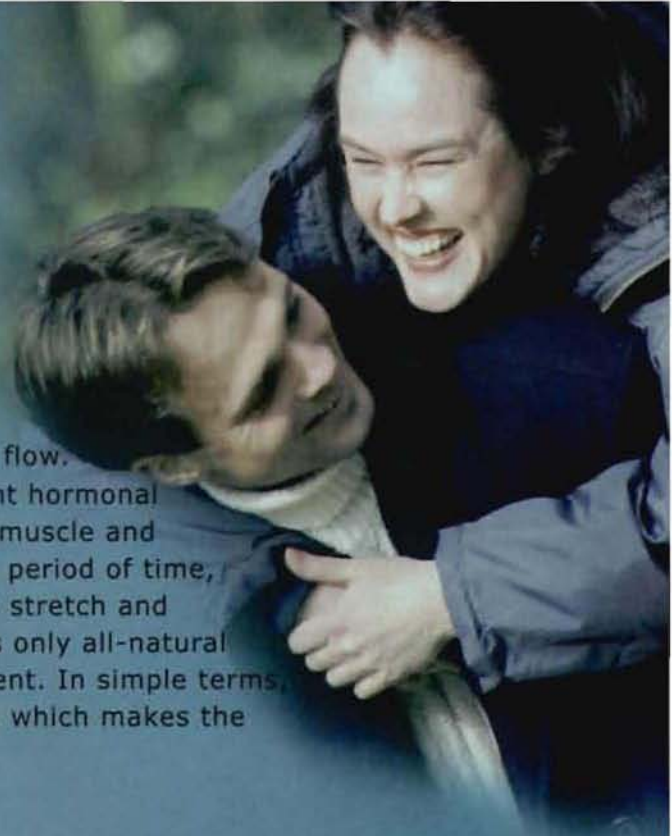
Natural Male Enhancement
ENZYTE



Medical and Scientific Breakthrough

Enzyte was developed by Dr. Fredrick Thomkins, a physican with a biology degree from Stanford and Dr. Michael Moore, a leading urologist from Harvard. The two collaborated for 13 years studying human blood flow. They concluded that with the right hormonal stimuli, blood can be forced into muscle and tissue chambers, and that over a period of time, these chambers will substantially stretch and elongate.The result is the world's only all-natural supplement for penile enhancement. In simple terms, Enzyte is a blood flow stimulator, which makes the most of your natural potential.

"Of course I was skeptical, but the results are phenomenal. Enzyte is the real deal!"

S. Hamilton
Louisville

How it Works

The penis is made of two erectile tissue chambers. When aroused,blood flows into these chambers, producing an erection. The more blood that is pumped into them, the larger you will be. The active ingredients in Enzyte naturally push more blood into the chambers. Over time, as the chambers stretch, more and more blood will be forced in, creating substantial growth in both length and roundness. Over the the course of the 8 month program, your erectile chambers, as well as your penis, will enlarge up to 41%.

The first all-natural male enhancement program that adds two to three inches to your size in just eight months or get double your money back*

Clinically-Tested, Women-Approved 100% Natural Longitude Capsules- The ONLY Penis Enlargement Capsules That Really Work.

The Original LONGITUDE PENIS ENLARGEMENT CAPSULES: Over 100,000 Bottles Sold Every Month

When it comes to Penis Enlargement, you have several options, but only one answer... The Original Longitude Penis Enlargement Capsules, Here's Why:

Longitude VS. Pumps and Weights

The first thing that comes to mind when I think of Penis Pumps, is that Austin Powers movie. I mean really... what would you do if your lover stumbled upon your pump? How embarrassed would you be?

Not to take anything away from pumps- some men do say they work, but I've also heard that it is painful to have your penis being sucked down a clear plastic tube. And remember, every time you use it, you have to spend time cleaning it.

Pumps can cost up to $150 or more, and as you can imagine, the more you spend, the better your results. But I still think you can do better with Longitude.

And what about Hanging-Weights... OUCH! If you think strapping a few pounds of metal around your penis is fun, count me out. Not only is it painful, it's STUPID, you can do a ton of damage to your penile ligaments. Don't be surprised when you get giant, nasty bruises on your penis that are so painful, you won't even be able to get an erection. Pass on the pumps and weights.

Longitude VS. Invasive Surgery

Ever since hearing about what happened to my college buddy Marcus, I advise everyone I care about to stay away from penis surgery.

Marcus wasn't happy with the size of his penis, so he had an operation with hopes of being "gorilla-sized". But today, his King-Kong dream is a shriveled-up nightmare.

First of all, his penis is so ugly, it looks like a football. And secondly, he lost total sensation in his penis and is not able to get an erection no matter how hard he tries.

He ruined his life. His girlfriend left him, and he is unable to keep new women because of his problem. And just the sight of his penis is enough to make you have newfound love for your penis, even if it is 4-inches long.

Lets pretend Marcus's surgery went well... it still cost several thousands of dollars, he had to go to the hospital and take off work. And just the thought of someone going near my johnson with a knife is enough to turn my stomach.

Longitude VS. Knockoff Pill Scams

As with any great product, greedy scam-artists will knock it off.

Longitude has documented growth of up to 3-inches. Some of our knockoffs go as far as copying our ads almost word-for-word, then simply inflate our claims of 3-inches to 5 or 6 inches. Is their scam pill really going to DOUBLE the size of your penis? I don't think so. They'll say anything to fool you.

A copycat product will never perform as well as the original. Longitude capsules are formulated in our 47,000 sq. ft. lab that is one of only 20 in the US that has been approved by the NNFA (National Nutritional Food Association) to comply with rigorous GMP standards. (Good Manufacturing Practices). This ensures your capsules will never contain rodent feces, crushed roaches, or things even worse.

Who knows where and how other's capsules are being created? *In a garage?* Knockoffs haven't been known to worry much about quality control. Sure, you may be able to save a few dollars purchasing a fake... but remember, you have to swallow it!

Plus, we employ over 100 Nutritional Experts to answer any of your questions. With these knockoffs, you're lucky to get a live operator, let alone someone who knows anything about nutrition. Save yourself time and get the results you're after, buy the real thing.

It's your choice... Pumps... Weights... Surgery... Knockoff Scams... or the Original Longitude Capsules... Read my ad on the next 3 pages and call us. Longitude is the only product that will make your penis so long, you won't believe its yours- GUARANTEED by over 1 Million Men every year!

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3:	Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
Week 4-8:	Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
Week 9+:	Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

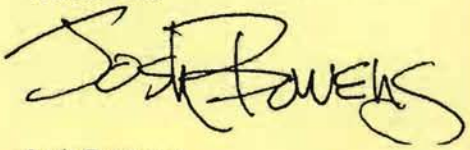
Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,



Josh Bowens

LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

I stabbed my middle finger into Deena's coral canyon. She squeezed her thighs around my hand and pushed my cock further down her gullet.

(continued from page 100) redhead mouthing my cock. Deena pivoted around, expecting us to 69. I took one look at the copper razor-wire she called pubic hair and knew I wasn't going down like that. I slammed my dong into her pale yap with longer strokes, trying to think of a diplomatic way to keep the skin on my face. I stabbed my middle finger into Deena's coral canyon, which seemed to temporarily assuage her. When she squeezed her freckled thighs around my hand and pushed my cock further down her gullet, I breathed a sigh of relief.

Presently, Lori crawled behind me and began licking my asshole, bless her. I held still and let the blonde rim me while the redhead bounced her throat over my cock. I tweaked Deena's bright-pink nipples and saw her dotted chest flush as red as the carrot-colored tufts under her arms. Lori's tongue found my sac and jangled the balls against the other girl's forehead. The thought of their faces meeting on either side of my bag made me harder than carbon steel. A big blast was building.

Deena chose that moment to pull my hand out of her snatch, drag me on top of her and jam my face into her thicket. While we were 69ing away, Lori rose to her feet and paced like the ref at a boxing match, trying to find something to do. I winced as Deena's fiery whiskers scrabbled at my face, but the thick honey between her petals enticed me to continue. I mashed my mouth over her lips and popped several loads of nut butter down her throat.

I've noticed that redheaded cunts smell different than the other ones, although I'd be hard-pressed to say why. When Deena's grasping tunnel fluttered against my chin, I inhaled deeply, drawing in a big whiff of copper-tinged pussy mixed with the distinctive odor of Dr. Bronner's peppermint castile soap. That particular brand is supposed to be environmentally safe for bathing in lakes. In the North Woods, it's all you ever see.

A glob of that very substance dropped onto the cunt before me. I rolled off the freshly fucked redhead to see Lori with a bottle of soap, a bucket of water, a washcloth and—hallelujah—a pink plastic razor.

"I know it isn't P.C.," the assistant ranger said, waggling her ass, "but I can't fuck with all this hair."

"You read my mind," I grinned, picking a strand from my teeth.

The next half hour was arduous. I'd rather clear an acre of woods with a machete than two bristly muffs with nothing but a single disposable razor. Even so, I was glad to be rid of their coarse pelts and the friar's fringe that grew below the hairy sluts' knees. When we finished, the earthy chicks weren't nearly as crunchy. —L. G.

My Friend Irma

HUSTLER, I hope you understand the following episode. I don't always act this way, but you print so many oddball letters about sex, I figure you people have some perspective.

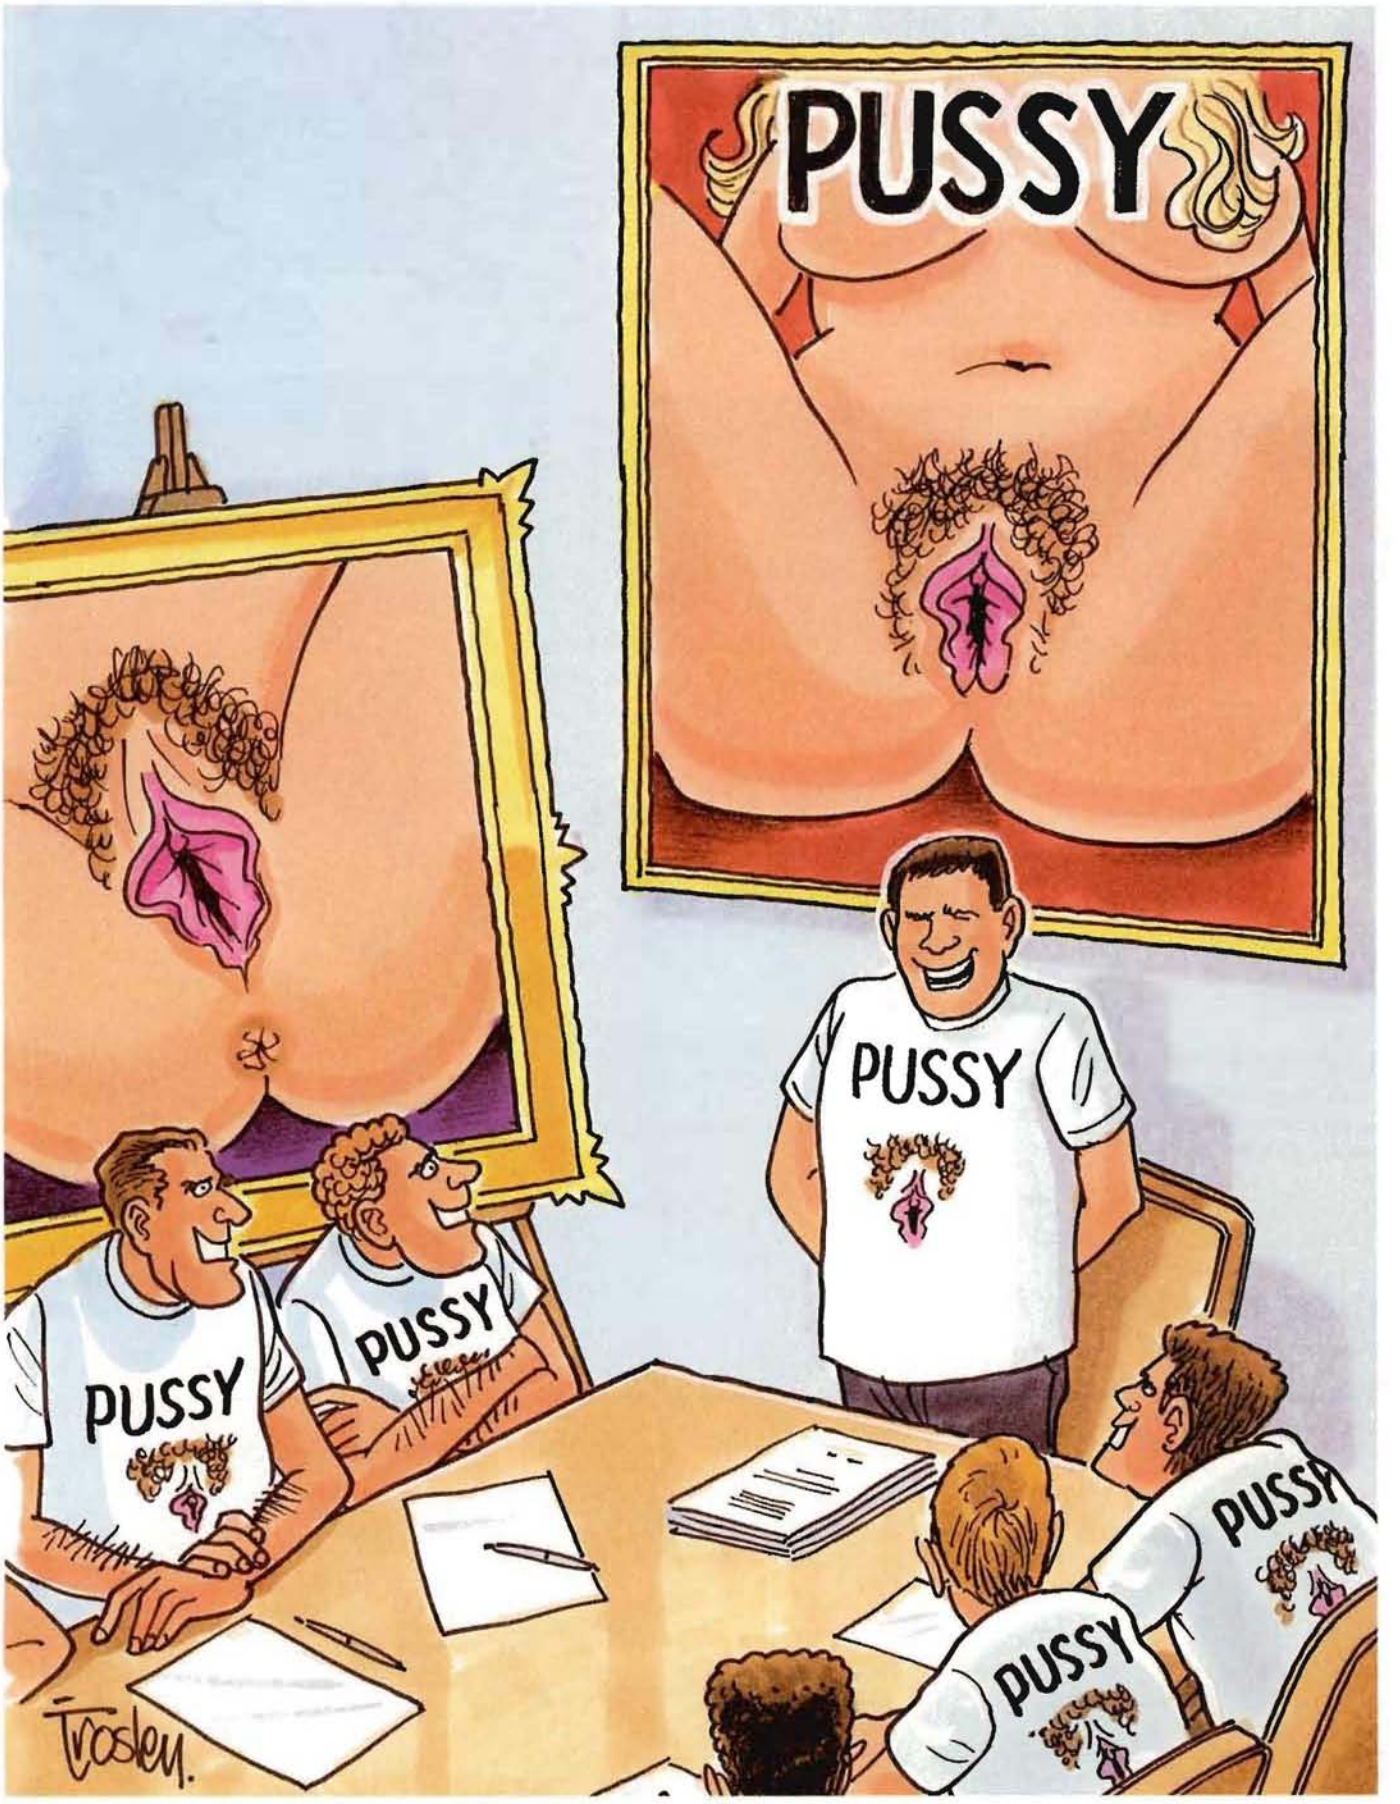
First of all, I'm a fortysomething housewife, but my friends say I look really great for my age. I'm thin and tan and blonde (up top, anyway). Incidentally, my clit is pierced.

Now, here's the thing: I have an unhealthy relationship with my douchebag. I even gave it a name, Irma the Douche, just like that old Shirley MacLaine movie. My husband, Martin, is an adequate cocksman—when he puts his mind to it, he can bring us both off several times before Leno—but his big horse wang doesn't become as hard or spew as forcefully as Irma's slender white nozzle. I can count on one hand the number of nights in the past two years that I haven't sneaked into the bathroom during Conan to light up like a pinball machine at Irma's warm, wet ministrations.

She's a real old-fashioned douchebag, made of red rubber with a plug at the top. I fill her with tap water—not too hot—sit on the toilet, and ride my friend's little plastic flute to climax. If I angle it just so, I can press the nozzle up against my clit ring until the metal warms up, which increases the sensation. I lean on her bag and let Irma's squirting tip circle my labia (compared to other women, my loose lips are unusually large and pendulous).

After I've washed the beef flaps, I slip Irma's hot, little tube deep inside me. The hot jet of water shoots up, past my cervix, flooding my swollen passages, until a stale soup of my juices, and occasionally my husband's gunk, washes back into the bowl.

I press rhythmically against the red bladder, savoring the *(continued on page 166)*



"And so we all agree...the time has come to form just one more special-interest group...."

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS Pills Will Work For You!
We Offer a 100% Money Back Guarantee!!

NO Pumps, No Hanging Weights, No Exercises & No Surgery!
PRO+PLUS Pills Will Enlarge Your Penis Up To 3 Inches.
No Prescription & You Will Have These Penis Gains In A Few Weeks.

I am a sex therapist and for over 25 years I have helped men with erectile dysfunction including penis size, impotency and premature ejaculation. I am offering a pill that has been called "a magic bullet" that eliminates all the effort and expense of trying to have a larger penis.

Just imagine how men will gasp with envy the first time they see the new you in a locker room, shower or gym. How about when your sex partner sees how thick and long and hard you are.

Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of 'going soft' and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues.

But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis.

Without any effort on your part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 3 inches in what has been described as a miracle.

You can make that miracle happen. You can have the penis size you always dreamed of with the PRO+PLUS PILL and I GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if you're not satisfied with an average or less than average size penis, I can help you. My pill will help you grow up to 3 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

WEEKS 1-4: In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections.

WEEKS 4-8: Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis will 'hang' longer and thicker.

WEEK 9+: When you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. It is possible for you to reach the most sensitive area of all, a woman's G spot.

These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS. We say you could stop taking the PRO+PLUS PILLS because it not necessary to be larger then 9 inches. Most women can only comfortably accommodate a 9 inch penis. Anything larger than that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

WHAT EXACTLY IS THE PRO+PLUS PILLS?

It is a powerful natural herbal penis enlargement formula that increases penis size, sexual health and stronger erections. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

WHAT WILL THE PRO+PILLS DO FOR ME?

- ▶ A longer ,thicker penis. Penis Enlargement up to 3 inches or 4 inches or more
- ▶ A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- ▶ You will have bigger, harder erections. Because of increased blood flow your erections grow harder.

Hot Letters

Martin jammed his sizable dong into my mouth and started fucking hard. His thick pud filled my yap so completely I could barely move my tongue.

(continued from page 122) textured rubber. Soon my clam begins jolting in time to the pulse of water. Despite my attempts at neatness, my splashing climax soaks the floor, and sometimes the wall. I end up satisfied, languorously wiping off the tile surfaces with a towel.

One night, Irma the Douche was humping the hell out of me. I must have been bouncing too loudly on the toilet seat, because my husband got up and knocked on the door.

"You okay in there?" he asked.

My head thought *yep-errr*, but I was coming too hard for my mouth to form the words. Martin shouldered the door open and his jaw dropped. I was blasting brackish fluid every which way in a scattershot pattern that soaked his pajamas as well.

"So that's why you clean yourself out every night," he sputtered. "You're getting off in here!"

Fortunately, Martin isn't the jealous type. Actually, I guess he was more intrigued than angry, because he retrieved a plastic tablecloth from the linen closet and spread it over the bed, then refilled my dear friend the douchebag.

"Come here," he grinned.

Surprised, I followed my man and lay back on the makeshift tarp. Like a curious gorilla, Martin jammed the white tube into my cunt and gave the red bag a squeeze. *Cold!* I'd never thought of that. I was worried that he was handling Irma too roughly, but too turned-on to say anything.

"That feels good, lover," I moaned. "Fill me up."

My genius's fingers clamped my loose lips around the nozzle. He leaned hard on the bag. The delicious, icy water shot up into me. A tingly feeling swept over my insides as my gorge filled up and Irma's bag was emptied.

Martin slipped the nozzle out and put my fingers to my nether lips. I was alone for a moment as he refilled Irma, enjoying the pressure on my clit from every side.

For the next bladderful of frigid water, Marty passed the plastic tube through my clit ring before he inserted it. I couldn't believe how much liquid was in me. He jostled the nozzle, tugging my tender button to the brink, then took off his pj's. His cock was stiff as Irma herself.

The pressure was becoming too much. I felt everything start to cramp up.

"Marty, I'm overloaded," I winced.

The douchebag was two-thirds full of cold water when he shoved it into my ass. He shot everything Irma had into my colon. Between my pussy and anus, I was keeping back a gallon of fluid.

"Hold it," Martin said. He jammed his sizable dong into my mouth and started fucking hard. My jaw was slack as I concentrated on pinching my lips together and squeezing my sphincters shut. I was afraid I'd come and spoil everything; the combination of Marty's testicles slapping my chin and frosty water distending my feminine parts was like nothing I'd ever experienced before.

I ached for release and tried to hurry Martin along with my mouth, but his thick pud filled my yap so completely I could barely move my tongue. I was at his mercy. As my husband banged away at my face, water started to trickle from my cooter; so I shoved my fatigued fingers hard against the slit to stanch the flow.

With my free hand, I felt around for Irma. She was still cold. I held her close to my heart.

Marty's sac hoisted itself up and he blew sticky goo against the back of my throat. He grabbed my head and pumped. I thought he was going to pop every last drop into my mouth, but he pulled out and shot the final three bursts onto my cheek. As I felt the man-chowder ooze down my face, Martin sat back, exhausted. Onto my stomach. Onto Irma.

I'm sure most of his weight was on his knees to either side of me, but hubby is a big guy. I couldn't hold back. Flailing like a fish on a boat deck, I came repeatedly.

A flume of brown water blew from my butthole, blending with a half-gallon of diluted pussy juice and forming a long arc. The liquids hit the dresser from eight feet away, which must be some sort of record. Guinness people, are you reading this?

My husband, fascinated, bounced where he sat. A dozen smaller gushes flopped out onto the tablecloth. He hopped a few more times, until there was no question that every ounce of water had been accounted for.

I can't tell you how exciting it is to discover that the man you married has an open mind. Here's my question to HUSTLER: Do Marty, Irma and me qualify as a threesome? —D. R.

LAURA LEE

CLASSY COOZE

"Daddy's money can't buy me dick," *whines society slut Laura Lee. Rubbing her thighs together on a chaise lounge, the blond debutante tweaks a nipple.* ***"Even sophisticated ladies crave cock."*** *Laura Lee probes her cunt with manicured fingertips.* ***"I want it all—in my pussy, mouth and ass!"***

Coming Next Month in HUSTLER

Nice and Naughty

Seasonal revelers can stoke their Yule logs to the white-hot treats in HUSTLER's Holiday Issue. A bathroom tryst between an elfin blonde and a lucky stud becomes festive when colorful dildos are added to the mix. A young tennis queen demonstrates her affection for furry balls. Two sultry dykes diddle on a red scaffold, making boys forget about that Erector set they wanted for Xmas. A stunning brunette spreads out on the beach and shares a quiff that keeps on giving. HUSTLER's Holiday Issue will make readers cave in to temptation and unwrap their packages early.

The Ultimate Stalkers

Claudia will tell you all about Ben Affleck: "We're the hottest couple in Hollywood. He is head over heels for me. I know that I turn him on like no other woman." The only hitch in their relationship is that the 28-year-old telecommunications worker has never met Affleck. Claudia is a textbook case of *erotomania*. Erotomaniacs believe that a person of higher social status, such as a celebrity or politician, is in love with them. As a result, they resort to anything—including cold-blooded murder—in a bid to possess the object of their affection. Correspondent Jonathan Brown examines how fan fixations cross the line from silly delusions to dangerous obsessions in a predatory HUSTLER feature.

SWM Seeks Chewbacca

Shaved snatches have become the norm in today's stroke flicks, but out in the real world there are still plenty of male devotees to not only furry muffs, but overgrown armpits, legs and even tummies. In HUSTLER's Holiday *Sex Play*, correspondent Henry Baum profiles the men who prowl for women with telltale mustaches and fuzzy arms in their quest for the ultimate hairy situation. Don't miss this uncensored peek at a shaggy sexual subculture that bows before the bearded lady.

Cum-Bearing Gifts

Sit by the fireplace and enjoy a tumbler of exquisitely aged She Vas Legal blended whiskey in *Bits & Pieces*. Holiday shopping for deviants is a snap with a dozen reviews from *Erotic Entertainment*. HUSTLER cartoonists cry "Humbug!" with their tasteless 'toons and earn lumps of coal in their stockings. Garlands of neighborly snizz grace the pages of *Beaver Hunt*. The good cheer in HUSTLER's Holiday Issue is guaranteed to leave readers with a warm, pink glow.

Holiday 2001 HUSTLER on sale October 16.
